## Weeds Out Batista Remnants

# Cuba Provisional Regime Polishes Up Constitution

HAVANA, Cuba (AP) — Cuba's provisional government polished up a new interim constitution today as the work of weeding out remnants of Fulgencio Batista's dictatorship went forward.

The Cabinet met far into the night working on a new fundamental law to replace the constitution of 1940 until the holding of free elections.

It was not immediately learned how the charter would differ from the old one, which was adopted during Batista's first period of power. Presumably the interim constitution will be replaced after a new Congress is elected.

Provisional President Manuel Urrutia Tuesday dismissed all provincial governors, mayors and councilmen in the island's six provinces. Presumably a new list of civilian appointees to replace them was ready, although it was not announced immediately.

The new cabinet was reported preparing a decree abolishing all political parties and taking away the political rights of all candidates in the 1954 and 1958 elections held by Batista. This would bar even the opposition candidates tolerated by Batista from the elections which Urrutia has promised to hold in 18 to 24 months.

One leading politician apparently exempt from the political ban would be former President Carlos Prío Socarras, whom Batista overthrew in a coup in 1952. Prío fled to Miami and did not return until the victory last week of Fidel Castro's rebellion.

Informed sources said other cabinet decrees would freeze the private bank accounts of all Batista officials and stop payment on all checks outstanding against the treasury. It was problematical, however, how much this could re-

cover for the government since the custom for Cubans profiting most from the government has been to bank in the United States or Europe.

Earlier Tuesday Urrutia's cabinet dissolved congress, suspended the criminal courts and announced it would rule by decree until elections are held. Revolutionary courts reportedly will be set up to try Batista, now an exile in the Dominican Republic, and other officials of his regime who may be charged.

Castro supporters in Havana impatiently awaited the arrival of their bearded chieftain, who continued his slow triumphal march from the eastern end of the island, stopping at every town and hamlet to address cheering throngs.

Castro had been expected in the capital this afternoon, but it appeared now he might not arrive until Thursday.

## Cabinet Pay Increase Bill Sent O'Neill

### Measure Calls For Hikes For All But 2 Of DiSalle Officials

COLUMBUS, Ohio (AP)—Democratic Gov.-Elect Michael V. DiSalle's cohorts have jammed through the new legislature an emergency bill to raise the salaries of all but two members of his cabinet.

Present plans call for the history-repeats-itself bill to be laid today on the desk of outgoing Republican Gov. C. William O'Neill for his signature. He has declined to say whether he will sign it.

Unless the bill is signed before the new cabinet officials take office, they will not be able to collect the higher salaries. The hold-over cabinet officers who are serving definite terms set by law will not receive the increases.

The big battle over the increases came in a two-hour debate late Tuesday in the Senate. The Senate Republicans, on the outside looking in for the first time in 10 years, were as full of needles as a porcupine.

Most of the needling was in the form of amendments to the bill. What made even the Democrats laugh while they squirmed in discomfort was the fact that most of the amendments were nearly identical to the ones they offered futilely two years ago. The amendments then were to the salary increase bill requested by the then Gov.-elect O'Neill.

## 21 To Testify In Jury Probe

### Brokaw To Present 6 Cases Thursday

LISBON — A total of 21 witnesses in six cases will testify before the January Grand Jury Thursday, according to Prosecutor G. William Brokaw. Twenty-two witnesses were to testify in eight cases today.

Tuesday afternoon, seven witnesses were heard in seven cases and the jury visited the County Jail in the forenoon after being sworn in by Common Pleas Judge Joel H. Sharp.

Brokaw said he doubts if the jury will report Thursday as was anticipated. If this is the case, it will report sometime Friday.

Cases set for tomorrow are Paul Lester Elson 36, of Salem, charged with rape.

Dave Glenn Morrell, 27, of 128 Montana Ave., Chester, second degree manslaughter in the death of John Webber of East Palestine R. D. 2 on Oct. 25 on Route 7 just north of Wellsville.

Henry William Bradbury, 48, of Lisbon R. D. 2, shooting with intent to wound his 14-year-old step-son, Orin Edwards, on Oct. 12.

Emerson Braun of Salem, forgery.

Barry Scott Weigle, 27, of East Palestine, charged with second degree manslaughter in the death of Ernest Hitchcock, a pupil in a Unit school bus which was struck by his truck Sept. 12 on Route 14 East of Route 7 near the Crocker City Farms.

Richard S. Smith, 23, of Homeworth R. D. 1, second degree manslaughter in the death of Francis Corey, 48, of Salem in an auto accident on Route 62 and Lake Placidia Rd. Dec. 6.

## Ex-Wellsville Man Gets State Road Position

COLUMBUS, —James T. Welsh, former mayor of Steubenville, today was appointed deputy highway director for administration by Director designate Everett Preston.

A native of Wellsville, Ohio, the 52-year-old Welsh has had 22 years experience in government.

He was mayor of Steubenville from 1940 to 1943 and city councilman, 1946-48. He was a member

## Deputy Road Director Native Of Wellsville

James T. Welsh, given a directorship in the State Highway Department, is a native of Wellsville, son of Mr. and Mrs. Charles Welsh, now of Kissimmee, Fla.

The family moved to Rochester when he was a boy, and later to Steubenville where his father was shop foreman for the Pennsylvania Railroad at Mingo Junction. He once was captain of the Big Red football team. He has several relatives in this area.

of the Steubenville School Board 1932-39 and taught school and coached eight years.

He was the Democratic nominee for state treasurer in 1946. Since 1948 he has been city manager at Teaneck, N.J.

He holds BS degree in business administration from Centenary College and a Masters degree from the University of Pittsburgh. He also attended Columbia graduate school. He is married and has two sons and two grandchildren.

Two other deputy directors were announced simultaneously by Preston. They are Guy E. Neepor of Toledo, for planning and programming, and Lowell F. Schaeuble of Columbus, for right of way.

Neepor has been Lucas County engineer for the past eight years and Schaeuble is now deputy director for operations.

## 2 Salem Residents File For Primaries In May

Two Republican candidates filed today with the County Election Board to seek nomination for Salem city offices in the May 5 primaries.

They are Norman W. B. Houser, a storm window salesman, running for mayor, and Mrs. Helen R. Coyne, seeking renomination as city auditor.

Houser will oppose Mayor Harold Smith, Republican, who is in his first term. They are the first to file from Salem. The entries bring official filings to three, as a Wellsville mayoralty aspirant entered Monday.

SALINEVILLE — Mayor Karl Lindner today announced he will seek renomination to a sixth term in the Republican primary in May. Mayor Lindner, a jeweler, was first elected in 1949. He is married and has a daughter.

## DiSalles Will Arrive In Columbus Friday

COLUMBUS, Ohio (AP)—Democratic Gov.-elect Michael V. DiSalle and his wife will arrive in Columbus late Friday. The next day he will hold a cabinet meeting and Monday he will be inaugurated.

DiSalle previously had been reluctant to come to the capital city prior to inauguration day.

He and Mrs. DiSalle, along with some 33 relatives who plan to attend the inauguration, will stay at the Desher Hilton Hotel, where Saturday's Cabinet meeting will be held at 11 a. m.

## Power Project Here To Cost Over \$500,000

### High Voltage Loop For Area Planned With 2nd St. Unit

The Ohio Power Co. will spend over half a million dollars in 1959 to convert a power "loop" out of the 2nd St. Sub-station, the utility said today in announcing planned expenditures totaling \$52,859,000 throughout its system this year.

The huge sum will go into construction of new facilities and in the modernization of existing equipment to keep ahead of the ever-increasing demand for electricity.

Included in the new budget are expenditures for enlarging and improving power plants, transmission and distribution sub-stations and lines, office and service buildings and other facilities.

The construction budget for 1959 is somewhat higher than the approximately \$49,000,000 spent by Ohio Power in 1958. The new figure brings the construction investment made by Ohio Power in the 14-year period since the end of World War II to more than \$438 million.

Well over half the '59 outlay will go for expansion and improvement of the company's generating stations. Major construction jobs in the power plant category include further work on the 450,000-kilowatt generating unit at the Philip Sporn Plant near New Haven, W. Va., and Ohio Power's Unit 3 at the Kammer Plant at Captina, W. Va., south of Wheeling.

The budget calls for expenditure of \$100,000 for the expansion of the company's generating stations.

## Freezing Rain Or Snow Due

### Cold Wave Eases As Mercury Goes To 22

You can't win! East Liverpool basked in the mildest temperatures this week, as the zero cold wave moved out, but occasional freezing drizzle or light snow now is forecast.

Compared to Tuesday morning's low of 4 above zero, the reading

## Deer Takes Stroll On East End Street

Among the strollers brought out this morning by the rising mercury was a medium-sized deer which sauntered down Globe St. about 9:30, according to residents.

The doe was last seen headed for the Ohio River.

of 22 degrees this morning was Florida-like.

The Ohio Weather Bureau had predicted the end of the frigid wave and the temperature soared to 21 yesterday afternoon, dipped to 15 last night, then began climbing again, going to 21 at midnight and to 22 at 8 a. m.

A high of 30 to 35 is forecast for today with tonight's low 25 to 30 — about right for the snow or freezing rain, which also is expected to prevail Thursday. There will be little change in temperatures tomorrow.

Lockmaster Harry Smith at Dam 8 said the accumulation of river ice from the two nights of near zero weather began to move out yesterday.

The ice had been shore-to-shore from the dam to the Chester bridge but it was broken up yesterday by the current and boat traffic.

## GOP Leader Change Stirs Big Question

### Path Of Legislation In House Speculated After Martin Ouster

WASHINGTON (AP) — A badly split Republican minority under new leadership hung a big question mark over the course of the new House of Representatives convening today.

The surprise ouster of Joseph W. Martin Jr. of Massachusetts from his 20-year-reign as GOP

## Senate GOP Chooses Dirksen Floor Leader

WASHINGTON (AP) — Senate Republicans today chose Sen. Everett M. Dirksen of Illinois to be their floor leader for the new session of Congress.

floor leader and his replacement by Charles A. Halleck of Indiana posed some interesting possibilities.

Main subject of speculation was the possible effect Martin's replacement would have on the coalition of Republicans and Southern Democrats that has effectively charted the course of legislation in recent years.

Halleck generally has been recognized as the principal go-between that kept the coalition powerful. His elevation to his party's leadership could strengthen the bonds of the coalition that has blocked passage of much legislation generally described as progressive or liberal.

On the other hand, Halleck's political ambitions could leave the coalition without an effective link with the Republican minority.

Halleck reportedly has no determination in mind for the coming two years of the 86th Congress: "To see that we run a good Republican record in this Congress."

But privately, his friends and some of his enemies say, Halleck wants the 1960 GOP vice presidential nomination on a ticket headed by either Vice President Richard M. Nixon or Gov. Nelson Rockefeller of New York. He could hardly expect it, they add, if he adheres to and encourages the conservative program of the coalition.

Halleck's election hardly could be called the result of a rebellion by liberals. He was nominated by Noah Mason of Illinois and was openly supported by John Taber of New York, two of the most conservative members of the House.

Martin said White House aides, but not the President himself, had "a little bit to do" with his defeat.

Halleck said he was "absolutely certain that the White House did not intervene."

Eisenhower congratulated Halleck and thanked Martin for his long service. Asked whether Eisenhower took sides in the election, White House Press Secretary James C. Hagerty said the choice of leaders was "a matter for the House."

The appropriations include \$10,000, general fund; \$10,000, water; \$5,000, street maintenance; \$2,000, cemetery; \$4,000, street lighting.

## First Stop Cleveland

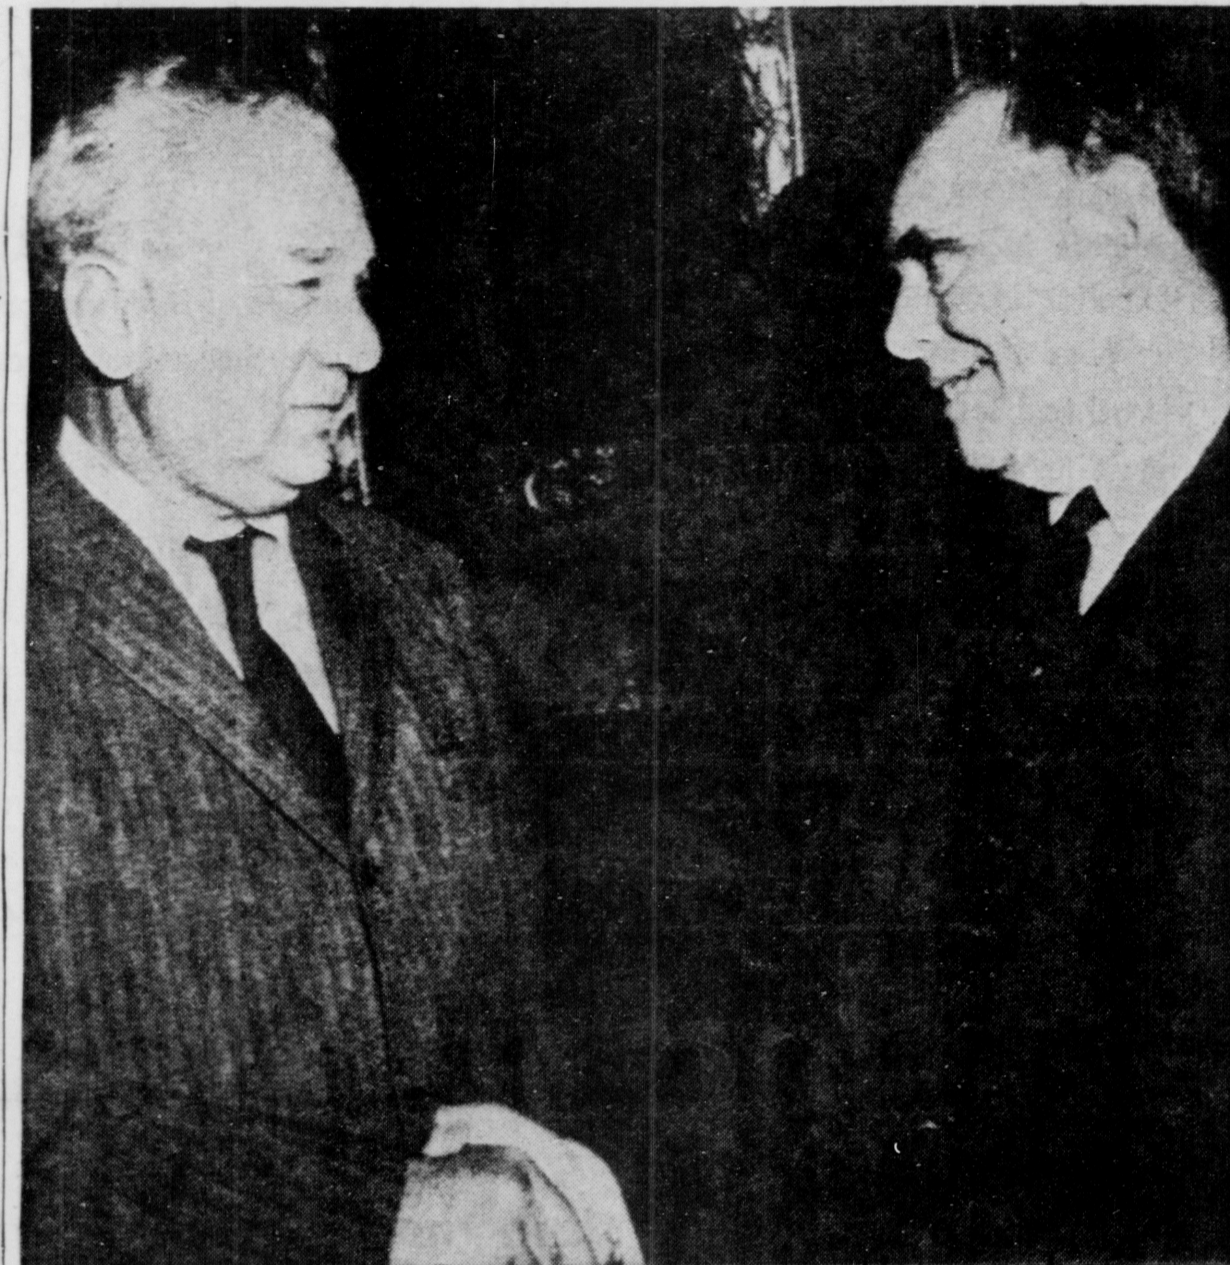

# Russia's Deputy Premier Starts 13-Day U.S. Tour

WASHINGTON (AP) — Anastas I. Mikoyan, the whirling dervish of Kremlin diplomacy, takes off on a 13-day coast-to-coast tour today after two days of probing the U.S. attitude toward the future of Germany.

The 63-year-old first deputy premier arranged to head first to Cleveland and a visit with millionaire industrialist Cyrus Eaton. He is due back in Washington Jan. 19 to talk to President Eisenhower.

A Soviet source in Berlin said Mikoyan would propose a compromise solution of the Berlin dispute when he sees Eisenhower. The source gave no details.

In the meantime, Secretary of State Dulles and other top American officials collected for close

GOP FLOOR LEADER OUSTED. House Republicans Tuesday turned out their veteran floor leader, Rep. Joseph W. Martin Jr. of Massachusetts and elected in his stead Rep. Charles A. Halleck of Indiana. The vote, on a secret ballot at a closed party conference, was 74-70. Martin (right) is shown congratulating Halleck after the conference. (UPI Telephoto)

## Dash Named To Council Job At Wellsville

### Fills Wilson's Spot; Proposed Change Of Route 7 Discussed

Dominick Dash, 1017 Center St., was elected to fill the unexpired term of Frank Wilson, new county commissioner, as councilman-at-large at a meeting of Wellsville Council Tuesday night.

Dash, a Democrat, served as councilman for two terms before being defeated in the November 1957 election. Voting last night were Councilmen Ansel Moore, J. Frederick Russell, Robert Runyon and Richard Brown, Republicans, and Robert Taggart, a Democrat. Councilman Paul Nelson was absent.

Besides Dash, those seeking the post were John E. Porter, 217 Wells Ave., W. E. Swearingen of Center St. and Donald Miller of 14th St.

In other action, Council adopted a temporary appropriation to operate departments until the annual appropriation in March and discussed the proposed Route 7 relocation through town with Herbert Goodkind of Goodkind & O'Dea, consulting engineers of New Jersey.

The appropriations include \$10,000, general fund; \$10,000, water; \$5,000, street maintenance; \$2,000, cemetery; \$4,000, street lighting.

(Turn to DASH, Page 12)

## Car, Caboose Hit In Mishap On City Street

An East Liverpool district man's auto was damaged slightly Tuesday at 5:23 p. m. on the Horn Switch at Dresden Ave. in an unusual collision with the caboose of a backing switch engine, police reported.

The mishap involved a 1952 two-door sedan driven by John L. McCune, 61, of Ross Meadows and a Pennsylvania Railroad Co. switcher on which the engineer was J. R. Coakley, 56, of Shadyside Ave., police said. The right front fender of the auto was damaged.

McCune told police he was pulling into the parking lot of an adjacent diner when he saw a railroad crewman approaching on foot with a flare in his hand. However, he said he was unable to stop in time. The crewman told police he was walking ahead of the train, which was backing toward Dresden Ave. at about 2 miles an hour. The car pulled onto the tracks and was hit by the caboose, the trainman said.

Meanwhile, a collision at 4 p. m. yesterday at St. Clair and Lincoln Aves. damaged a 1952 two-door hardtop driven by Perry S. Moore, 60, of 806 St. John St. and a 1952 auto driven by Lawrence Reed, 69, of 314 Ridgeway Ave., police said. Moore was turning left from St. Clair to Lincoln and Reed was turning right off St. Clair onto Lincoln, police said.

Charles Pipes, 1124 Riverview St., told police the right rear fender of his 1954 sedan was damaged in a hit-skip collision sometime between midnight and 9 a. m. yesterday while it was parked on Perry Ave.

The Youngstown Civil Service Commission canceled a scheduled meeting Tuesday at which it was to rule on the application of Safety Service Director Dan Maggiani for reinstatement on the Youngstown police force.

The meeting was called off because of a death in the family of one of the commission members. Another session is scheduled tentatively for next week.

Shortly after resigning the director's job, Maggiani filed an application to return to the Youngstown force, on which he served 20 years.

## LaCroft Home Receives \$4,500 Damage In Fire

Fire at the home of John Shaw of 3rd Ave., LaCroft, caused about \$4,500 damage Tuesday at 11:45 a. m., according to Liverpool Township, west, firemen, who blamed an overheated furnace pipe.

Nine volunteers and two trucks of the township department answered the alarm, along with two trucks of the Glenmoor department. The family and firemen managed to save some articles. The loss, estimated at \$3,000 to the dwelling and \$1,500 to contents, was uninsured.

## Longest Drought Ends

JERUSALEM (AP) — The Holy Land's longest drought in memory ended Tuesday night. The rains, which continued today, were the first in 11 months.

## Leadership, Rules Fights Loom Ahead

### Rayburn Assured Of His Ninth Term As Speaker Of House

WASHINGTON (AP) — Battles over Republican leadership and Senate rules mixed conflict today with the traditional color of convening a new Congress.

As the 86th Congress assembled, Senate Democrats lined up for a new fight over filibusters and civil rights. Shrunk Republican minorities in both houses fought over who should lead them for the next two years.

His unanimous nomination at a Democratic caucus Tuesday assured Rep. Sam Rayburn (D-Tex.) an unprecedented election to a ninth term as speaker of the House.

House Republicans ousted their leader for the last 20 years, Rep. Joseph W. Martin Jr. of Massachusetts, and chose instead Rep. Charles A. Halleck of Indiana. The close 74-70 caucus vote left some hard feelings and raised questions about the course of legislation in the House.

Senators of both parties meet separately today to select their leaders. Democrat Lyndon B. Johnson faced no opposition to retaining his leadership post, but Republicans had a fight on their hands.

A dozen Republicans who class themselves as liberals sought to head off in a caucus the selection of Sen. Everett Dirksen of Illinois, a 1952 supporter of the late Sen. Robert A. Taft of Ohio, as GOP floor leader to succeed former Sen. William F. Knowland of California.

The liberals advanced Sen. John F. Kennedy (D-Mass.) as an alternative.

(Turn to CONGRESS, Page 12)

## 2 Dimes Drive Heads Chosen

### Mayor Shoub Leads Wellsville Campaign

Mayor William J. Shoub of Wellsville and Robert M. Cole, cashier of the Citizens Banking Co. at Salineville, have been appointed to head the March of Dimes drive in their respective communities.

Launched last Friday, the campaign will continue through Jan. 31. Appointment of the two chairmen was announced by Richard G. Brian of East Liverpool, co-chairman for the county drive.

Shoub is rounding out his third term in the mayor's office. He operates a Main St. grocery. Cole will be serving as Salineville chairman for the fourth year. He resides at 196 E. Main St.

Coin containers will be on display in most county business places throughout the month to receive contributions. Another highlight of the drive will be the annual Mothers March, in which women volunteers call on their neighbors for contributions. No date has been set yet for the Mothers March.

In addition to aiding paralyzed polio victims, funds raised in the drive this year will help finance a national research program to learn the causes of virus diseases, birth defects and arthritis.

## Dean Bryan To Head Chester Dimes Drive

Dean Bryan, retiring president of the Chester Kiwanis Club, has been named chairman of the March of Dimes campaign in Chester by Bert Byers of Weirton, Hancock County chairman.

The Chester Kiwanis Club last month agreed to sponsor the drive in Chester. Bryan said coin receptacles have been distributed in business places in the city.

The auxiliary of Lawrenceville American Legion Post 163 will conduct the campaign in that area. Bryan said a Chester organization has been asked to promote the Mothers March on Polio later this month, and the organization will notify the club Thursday.

## Director's Job Status To Be Aired Next Week

The Youngstown Civil Service Commission canceled a scheduled meeting Tuesday at which it was to rule on the application of Safety Service Director Dan Maggiani for reinstatement on the Youngstown police force.

The meeting was called off because of a death in the family of one of the commission members. Another session is scheduled tentatively for next week.

Shortly after resigning the director's job, Maggiani filed an application to return to the Youngstown force, on which he served 20 years.

## Traffic Claims 3 In Wellsville

### Annual Report Made At Council Session

Three traffic fatalities — two pedestrians and a passenger in a car — were recorded during 1958. Police Chief John Hephner said in his annual report to Wellsville City Council Tuesday night.

Five persons were injured in the 182 accidents investigated. No fatalities were listed in 1957.

The three main causes of accidents during the year were reckless operation, failure to stop within the assured clear distance and failure to yield the right-of-way. Hephner said.

The department answered a total of 2,786 calls and made 496 arrests.

Of the arrests, 215 were violations of state laws and city ordinances and 281 were traffic infractions which included 183 of road and driving laws, 74 parking and 24 of traffic and motor vehicle laws.

Not included in the arrest figure were 20 juveniles sent before Judge Louis Tobin and 21 other juveniles who received "warnings" at City Hall.

During the year, officers investigated 14 breaking and enterings; 2 attempted breaking and enterings; 13 petty larceny cases, 10 grand larceny; 1 stolen auto and 15 fraudulent checks.

He thanked Council, Mayor William J. Shoub and Safety Service Director William H. Robinson for their co-operation.

## Ohio Legislature Due Bill To Legalize SUB

COLUMBUS, Ohio (AP)—A bill to legalize simultaneous payment of supplementary unemployment benefits (SUB) and state jobless compensation has been readied for introduction in the legislature.

The bill was drafted by Reps. Thomas J. Barrett and G. D. Tablack, Mahoning County Democrats.

Barrett said the bill was designed to overcome objections of the Ohio Supreme Court which recently ruled that unemployed workers could not receive state jobless benefits and sub at the same time.

## Proceedings of the Courts

### Common Pleas

#### NEW ENTRIES

Church To See Film

EAST FAIRFIELD — A film on Africa will be screened at a school of missions Thursday night at 7:30 at the Methodist Church.

## Fire Destroys \$30,000 Boat

### Crew Of 3 Swims To Benwood Shore

WHEELING, W. Va. (AP)—The captain and two-man crew of a burning towboat swam ashore unharmed in the frigid Ohio River Tuesday. The temperature at the time was about zero.

The 58-foot craft, the Donald T. Wright, burned to the waterline. The boat was headed for shore at Benwood, a few miles downstream from here, to pick up a barge at the Wheeling Steel Corp. plant.

Eugene Bartley, 30, of Pittsburgh, captain and owner of the boat, said a fire broke out suddenly in the pilot house and spread so quickly that there was no time to lower a lifeboat.

Bartley and his crew—William Bolen, 21, and Ronnie Brelowe, 18, both of Pittsburgh—and the captain's dog Babe went over the side and swam the 50 feet to shore.

After they had dried out and warmed up in the Wheeling Steel plant, Bartley said they suffered nothing worse than "a good chill."

Bartley said the fire apparently started from a fuel oil heater in the pilot house. He theorized that the heater was leaking oil, which ignited.

After the fire had burned out, the hulk of the ship was towed to a mooring at Bellaire. Bartley estimated the loss at \$30,000.

## Tests For Seniors Planned Saturday At Lisbon's School

LISBON — General scholarship tests for high school seniors will be given Saturday morning at David Anderson High School, starting promptly at 8:30, according to Supt. James L. McBride.

The tests, lasting three hours, cover math, English, history, science and reading. Only seniors in the upper 40 per cent of their class will be permitted to take the tests.

Approximately 93 seniors have signed to take the tests. Those finishing in the upper 10 per cent have a good chance to receive a scholarship. Students from Lisbon, Salineville, Fairfield - Waterford, United Local, Beaver Local and Leetonia will compete. Lisbon has the largest group, with 30.

Any school having over 25 seniors taking the exam may give the test at its own school if it wishes, McBride said.

Three agricultural examinations also will be given at the Lisbon school at the same time to seniors from Lisbon, United and Leetonia.

### To Study Russian

CINCINNATI (AP) — Directors of the University of Cincinnati have agreed to set up a Russian studies program, starting next fall. The new study area, approved Tuesday, will include undergraduate courses in Soviet language, culture, history, politics and economics.

## Russia Concentrated On Rockets

The official announcement of the Soviet Union's latest and most spectacular rocket demonstration contains one passage that every U.S. critic of his country's rocket policy could read with profit.

"The creative toil of the whole Soviet people aimed at the solution of the most important problems of the development of socialist society in the interests of all progressive mankind has made it possible to carry out the first successful interplanetary flight."

Elsewhere, the announcement says the creation of large and heavy satellites always is the fixed aim of the Soviet's rocket program. Its purpose was to prove something — in this instance the strength of socialism in Russia.

If the United States had been as intent on proving something as the Soviet Union, it too could have taken the lead in rockets, in the same way that it took the lead in atom-splitting during World War II. But the United States was not intent on proving anything, except what already had been proved: That its people have the world's highest standard of living.

While the toil of the Soviet people was being applied to the development of cosmic rockets and "socialist society," without the

people's consent, the efforts of the American people were being applied to the maintenance of their standard of living. Had it been proposed that they sacrifice rutabagas for cosmic rockets, while continuing to underwrite the rising cost of military hardware, a ballooning bureaucracy and foreign aid, the American people would have cried out that spenders were taking the chickens out of the pots and the new cars out of the garages. They will cry out when it is proposed in the 1959 session of Congress.

The irony is that the Russian people would rather have these things than artificial satellites, but the Russian people are not consulted. Yet, the masters of the Russian people can cover their inability to give the Soviet Union a high standard of living by whooping with pride over the success of a rocket program that produces no benefits for the Russian people.

They are so good at the whooping, moreover, that U.S. officials are put on the defensive by it and forced to apologize for the most envied country on earth.

Russia has scored a press agent's triumph even greater than its satellite success, spectacular as that is.

## Marie Torre In Jail

Marie Torre will go into the record as a newspaper woman who served a jail sentence rather than disclose a news source. It will have been her privilege to strike one of the thousands of blows for freedom from government interference that have kept the press in the United States from enslavement.

There can be no doubt about what would happen if newspapers and their employees quit going through occasional martyrdom to attest their defiance of those who would prefer to have the press dependent on them for just as much freedom as they chose to give it. They would keep shortening the chain until there was no freedom at all.

Miss Torre has brought widespread attention to the fact that in New York state the chain-shorteners hold the upper hand. No newspaper worker can withhold the source of

information if ordered to disclose it. In Ohio fortunately, the chain-shorteners have been restrained. A newspaper reporter in this state has the same confidential relationship with his news sources as ministers, attorneys and physicians have with their parishioners, clients and patients. He cannot be forced to break this confidence by the threat of being locked up in prison, and he cannot be locked up if he stands on his rights and protects his news source.

Miss Torre has protected her news source, but she is locked up, because New York is still controlled by those who prefer to have the press dependent on them for as much freedom as they choose to give it. Every newspaper worker in the country is mentally baking cakes to conceal saws for her release. She has established her reputation as a dedicated professional.

## A Centralizing Of Duties

Columbiana County finally has fallen into line with many other Ohio counties in placing the duties of coroner in the hands of a physician, where, under state law, they will remain for years to come.

The late Ernest Sturgis filled the important post with ability and faithfulness for a total of 21 years before his death Nov. 20 and the county was fortunate to have had his services. But there is little doubt that the investigative and technical demands of the position should benefit from the pathological and medical knowledge which can be applied only by a trained physician.

The legislature recognized these needs some five years ago when it passed the law requiring that the job be held by a physician when those then in office finally relinquished their posts.

Dr. William Koloszi of Salem, who began his duties this week following appointment by the county commissioners, is well qualified for coroner. He will be assisted ably by his deputies, Dr. R. C. Costello of East Liverpool and Dr. A. P. Falkenstein of Salem. All three men previously had assisted Mr. Sturgis.

Appointment of a physician as coroner

## The Once Over

(Being a bad dream of possible situations, if any police department, anywhere, became unionized by Jimmy Hoffa with strike power.)

Hark to the story of Citizen Joe, A sad, drab tale of bitter woe: By robbers he was set upon Within his home, and left far-gone; He staggered to the telephone, And central heard the poor guy moan "Police! Police!" To which she said, "Please ask for someone else instead."

"I'm all beat up," his cry came through, "Oh, get a cop and maybe two"; I'd love to," came the answer clear "If they're available, old dear, But I've a long, thick waiting list Of folks who need a cop's 'assist'; A teamster I can give to you, And rather think he'll have to do."

"A teamster!" cried the battered guy "I have no shipment. Tell me why? My drastic need is for a cop Before beyond all help I flop." The girl replied "Don't be absurd; The cops are out; I thought you'd heard. Assistance no one can assign... HELP CANNOT CROSS A PICKET LINE."

### L'ENVOI

Poor battered Joe gave up the ghost; To pearly gates he seemed to coast; "It's one place" he philosophized "That up to now ain't Hoffanized."

UNDER THE PATTERN of some folks in the Hoffa union would it be possible to call a unionized police department, ask "Can I get a policeman?" and be told "I decline to answer?"

Archibald MacLeish's new drama "J.B." may start a trend toward using initials instead of full titles. Missus just asked if we could get tickets to "S.W.," "F.D.S.," and "T.G." She meant "Suzie Wong," "Flower Drum Song" and "The Gazebo." (We got her a pair for "T.M.G.R.," meaning "The Marriage-Go-Round.")

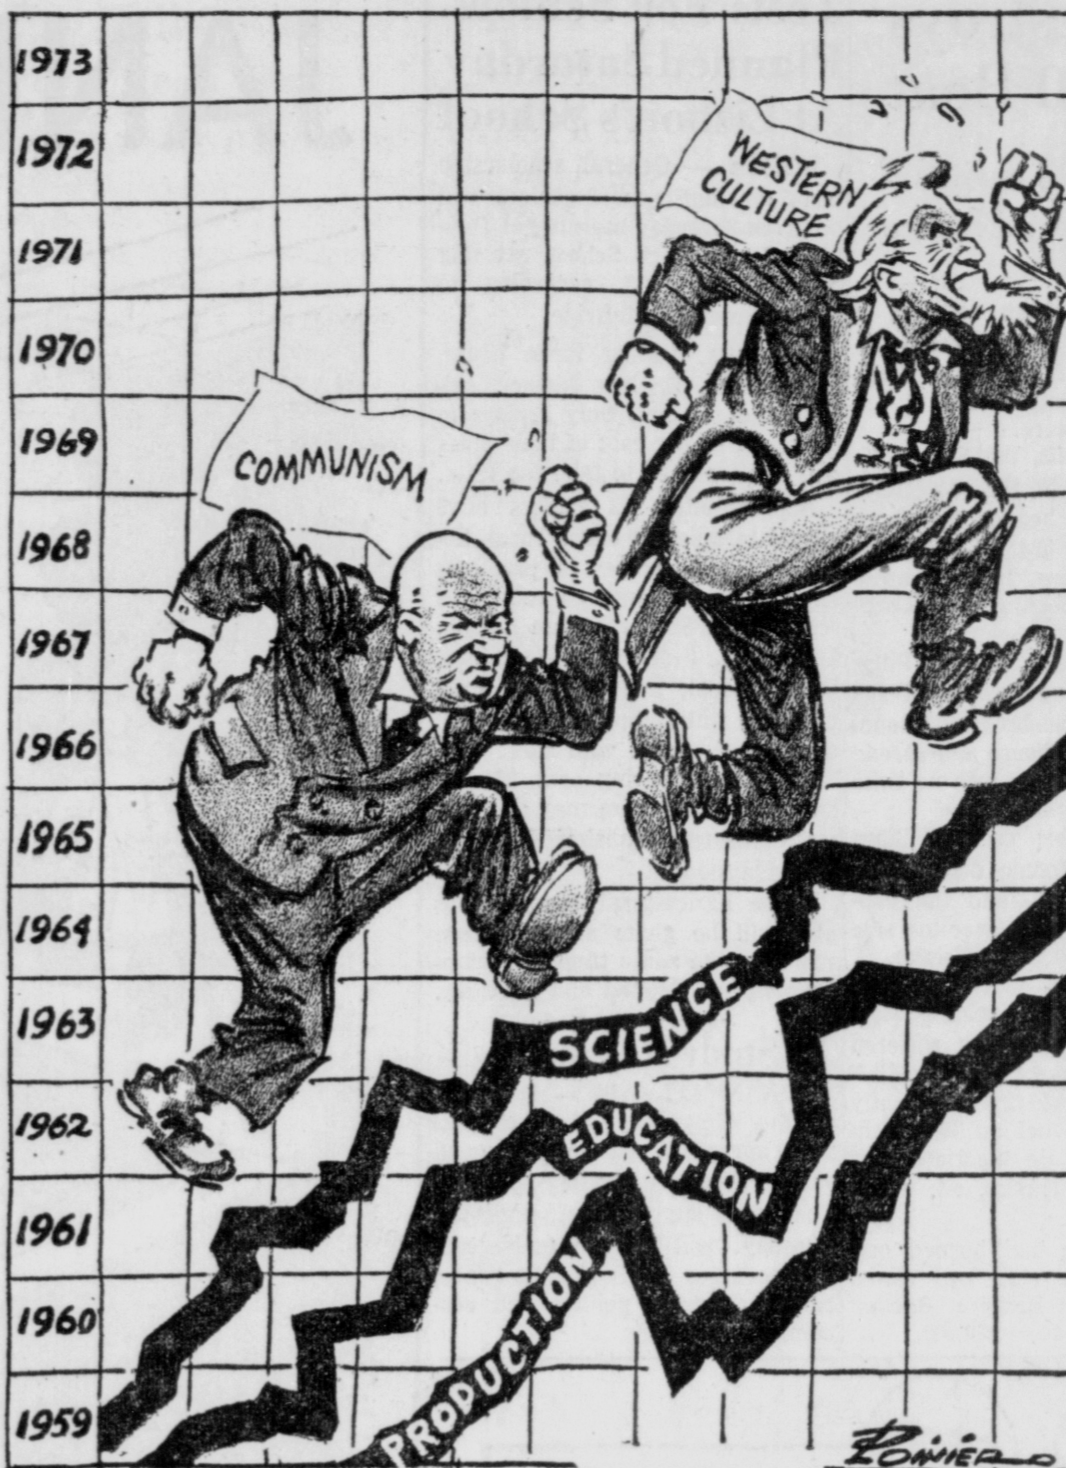

Joe Alsop who writes from places all over

AN AUTO MAGNATE says day is near when the auto will need no wheels and it will travel on cushion of air. He hasn't been on the road much or he would know they are travelling that way, now.

Sherman Adams is reported at work on a book. Suggested titles: "Watch Your Hat and Overcoat," "My Life in Man-Eating Washington," "Down the Potomac by Innuendo" or "A Gift To Remember."

Gov. Ribicoff of Connecticut says it's time for "a breather in taxation proceedings." Trouble is that governors, mayors, legislators and town managers don't seem to think breathing by taxpayers is necessary.

## Outline Of Current History

## All-Out Drive Planned On Crime

By Victor Riesel

We may have to write the crime story on asbestos in 1959 — it will be that scorching. Every agency of the government has been moved into position for an assault on the mobsters' millionaire row.

This is a new kind of fight on the gentlemen crooks — the mobsters who left their arrest records behind to become millionaire businessmen in soft tones.

They will be attacked by everybody the federal has heard from the hard hitting 80 - man McClellan committee staff to the civilian agencies such as the commerce and agriculture departments, never before used in the war on the underworld.

Out of McClellan committee national staff conference, for example, comes word that in '59 counselor Robert Kennedy's emphasis will be on the syndicated criminals who have invaded businesses and unions, rather than on those labor chiefs who use union money as though it were stock privately printed for them.

The grubby fingered crowd is being bypassed for the manicured unsocial set on the theory that the invading mobsters controlling certain trucking, garment, construction and food companies as well as night spots and restaurants, really run the crooked unions.

SOME OF THEM are powerful men unheard of outside the New York area — men such as Abe Chait who controls garment trucking in five Eastern states and owns or has an interest in at least 18 businesses. They range from racing stables to garment shops making racy clothing.

They are the men whom dedicated Bob Kennedy has saved for the final thrust at Congress and the public. For this is the McClellan committee's last year.

If this season's story stirs no new anti-racket laws, a lot of heartache and some two million dollars will have been wasted despite what Sen. McClellan has disclosed about the gangsters' "economy" and "second government."

Paralleling this panzer drive is the federal force woven together by U.S. Attorney General William Rogers on orders of the White House.

This force has begun moving. Its strategic objective is to encircle the organized corporate mobsters. Important as the labor racket is, they are about as much a part of the big time crime operation as a ham sandwich at Antoine's.

This fight is on all crime, which has a take running up to some 10 billion dollars a year. The McClellan committee will show how mob-owned companies freeze out others of fix contracts — getting the "edge" — on wages and costs by controlling unions and terrorizing legitimate businessmen.

THE JUSTICE Department has let it be known that for the first time it has set aside up to 20 per cent of its Anti-Trust Division staff to concentrate on mob activity.

In the past anti-trust probes have dealt only with vast economic powers. Now this division is spending a fifth of its energy on the smaller fields like garments, laundry and Italian food companies.

Actually the use of the Anti-Trust Division is just a small part of the anti-crime operation which is expected to haul in its first big fish comes the spring season.

The Justice Department ever

since last April 10, has searched out laws you'd hardly expect to be thrown into the crime fight. You'd look for the tax division or the criminal division, but not for the civil division. But the civil section of Justice has lots of power.

It can bring action and levy tough fines for violations of a thousand government codes.

For months, too, the Justice Department has been coordinating its work with such other cabinet divisions as the commerce and agriculture departments. These

have the power to revoke licenses or levy fines or even initiate criminal indictments with five year jail penalties for violations.

No business can really operate without such licenses and few businesses can operate under strict enforcement of all of these unheard of or forgotten statutes.

This head-on clash between the federal government and the underworld's "invisible government" has started unobserved behind the high paneled doors of Federal Grand Jury rooms. The showdown had to come.

## A Matter Of Age

By James Marlow

WASHINGTON Republicans weren't grasping for new or different ideas Tuesday when they bounced their oldtime House leader, Joseph W. Martin of Massachusetts, and replaced him with Charles A. Halleck of Indiana.

They simply substituted a younger man for an older one. Both are conservative. Martin, 74, was Republican House leader 20 years. Halleck, 58, had been his right-hand man for years.

Anyone who thinks the switch marks a change toward less conservative Republican thinking can look at the skin-tight vote by which Martin was defeated and at the remarks of veteran Rep. John Taber of New York.

The vote was 74-70 for Halleck. And Taber, one of the most conservative of all House Republicans, voted for Halleck. Asked if he thought the change would mean a more conservative leadership, he replied: "I hope so."

He said Martin "stands right" but didn't push hard enough.

Martin has been a nice, kindly man. Democratic Speaker Sam Rayburn once said of him: "He has a great, fine heart." But the Republicans Tuesday didn't stand on sentiment.

Martin is not only up in years but looks tired. He gives the impression of not having had a new idea in years. For that matter, neither does Halleck.

Martin was a vigorous anti-New Dealer at a time when the country was undergoing a social revolution which President Eisenhower hasn't sought to alter in any major way.

Halleck was a vigorous anti-New Dealer, too. But Halleck has a lot more hustle, perhaps be-

cause he's younger, and it seems pretty obvious he was chosen Tuesday mainly for that reason.

Martin and Halleck haven't always voted like identical twins. At times the older man looked even less conservative than the younger. For instance, in 1957 Halleck voted to kill federal aid to education; Martin voted for the bill.

President Eisenhower had plugged for a federal aid program — until voting time came — and afterwards he expressed disappointment at the defeat of the bill.

But many backers of the measure said it was Eisenhower's own lukewarm attitude that doomed the measure.

Tuesday Martin blamed some of Eisenhower's aides — but not the President — for a part in his defeat. Martin said he thought they thought he was a little too independent for them.

Later Eisenhower congratulated Halleck on his victory and thanked Martin for his many years of service.

Any hustle Halleck can give the House Republicans will be badly needed in 1959 if they are not to be drowned by the overwhelming Democratic majority with which they have to do business this year.

After the November elections, in which Republicans of both houses suffered smashing defeat, liberal Senate Republicans took the setback as a public demand for more liberal Republican thinking.

There's nothing to indicate House Republicans feel that way. But if they feel the need for more action it's understandable. A few figures show what they're up against this year.

Last year in the House Democrats outnumbered Republicans 235-200. But, as a result of the elections, this year the score is 283 Democrats to 153 Republicans.

## Down Through The Years

From The Review Files

THIRTY YEARS AGO — The mercury fell to 9 degrees above zero here.

C. C. Coutts was named president of the Wellsville Board of Education.

TWENTY YEARS AGO — Some 55 Serbian families in Midland observed Christmas with traditional activities.

Municipal Court returned the city \$9,130 in civil costs and city fines and costs during 1938.

James R. Hall, safety-service director, received word that \$39,896 in bonds for the city's share of the PWA swimming pool was approved by Peck, Shaffer and Williams, bond attorneys in Cincinnati.

TEN YEARS AGO — A. C. West was installed as president of the Chester Kiwanis Club.

The Junior Chamber of Com-

merce joined the Ohio Jaycees in sponsoring the third annual trip to the New Orleans Mardi Gras.

### Bible Thoughts

A righteous man regardeth the life of his beast; but the tender mercies of the wicked are cruel.—Proverbs 12:10.

The Lord thy God hath chosen thee to be a special people unto himself.—Deuteronomy 7:6.

We have found the Messiah, which is being interpreted Christ.—John 1:41.

Be not among wine bibbers.—Proverbs 23:20.

Let them have dominion.—Genesis 1:26.

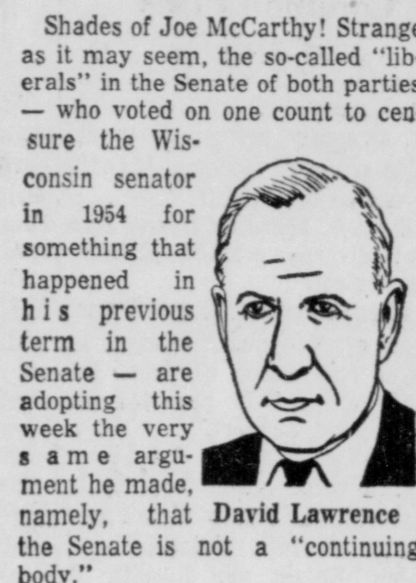

One there is who is good.—Matthew 19:17.

Rejoice always.—Thessalonians 5:16.

## Shades Of McCarthy

By David Lawrence

### 'Liberals' Are Using Argument He Made

David Lawrence the Senate is not a "continuing body."

Shades of Joe McCarthy! Strange as it may seem, the so-called "liberals" in the Senate of both parties — who voted on one count to censure the Wisconsin senator in 1954 for something that happened in his previous term in the Senate — are adopting this week the very same argument he made, namely, that the Senate is not a "continuing body."

Expediency is the reason. The Northern senators who want to change the rules to curtail filibusters — aimed principally at civil rights legislation — do not have enough strength to muster a two-thirds vote as the present rules require. They seek the right, therefore, to gag the Senate by means of a 51 per cent majority vote. The Southern senators who voted against Sen. McCarthy are consistent today, for they hold that the Senate is a "continuing body" and its rules can be changed only by a two-thirds vote.

Logically the "liberals," on the other hand, in their insistence that the Senate is not a "continuing body," ought to adopt a motion to expunge from the records of the Senate their vote, which said that Sen. McCarthy should be "censured" for refusing to testify before a Senate committee during his previous term of office.

ACTUALLY, he had been elected by the people of Wisconsin after those charges were fully aired, and, when he took his oath as a senator in January, 1953, for a new term, he challenged the Senate to ask him to stand aside while it investigated any charges.

This the Senate did not do but two years later, when there was an acrimonious fight against the Wisconsin senator on other grounds, the failure to testify in 1952 was trumped up as an excuse to "censure" him.

Another Wisconsin senator, the elder La Follette, once had also refused to testify before a Senate committee but no action was taken against him, although he openly challenged the Senate to do so.

There was another "count" on which the Senate voted against Sen. McCarthy and this did occur within the term that began in 1953. It concerned some uncompromising remarks he made about his fellow senators, but, oddly enough, this was the first time the Senate ever voted "censure" for comments by one senator about another.

There was a modicum of truth in that argument in the sense that, under its rules, the Senate can always refuse to admit anyone, no matter if he is legally elected, and simply bar him on personal grounds even unrelated to his conduct in office. But such a challenge under the rules must be made before he takes the oath of office for a particular term.

It is true, of course, that the Senate may at any time expel a member for any reason but this must be by a two-thirds vote. It was well known at the time that there were not two-thirds of the Senate who would have voted to expel the Wisconsin senator, so his opponents resorted to the "censure" tactics.

LIKEWISE, in examining the strategy used by the school of thought which believes the "end justifies the means," it is worth noting that the effort being made this week to curtail filibusters is based on the knowledge that a majority of the Senate would vote to limit debate but two-thirds might not.

The "liberals" themselves have often used the filibuster weapon to kill legislation which they knew a 51 per cent majority would adopt if a vote were permitted.

Is the Senate a "continuing body"? Unlike the House of Representatives, all of whose members go out of office every two years, only one-third of the Senators come up for election every two years.

This means that two-thirds of the Senate are "holdovers" after every election. So far as they are concerned, the Senate is realistically a "continuing body" but the newcomers argue they should have a chance to say what the rules should be.

The opponents are willing to grant them that right, but only under the existing rules requiring a two-thirds vote before any change becomes valid.

Certainly the previous rules remain in effect until new ones are formally adopted. There is talk about various compromise proposals, but in the end the sanction of a filibuster will depend on how two-thirds of the Senate feel about a pending issue, or, rather, on how a little more than a third — a minority — may feel about checking the occasional intolerance of the majority.

## Part Of The Magic

By Truman Twill

No one wants to say it aloud, but the thought is there — that one of the best things about Christmas is that it's finally over.

The crumbled remains of the Christmas cookies are tossed in the garbage can, where some of them should have been tossed in the first place, especially the ones decorated with steel BB shot guaranteed to break teeth.

The last of the indigestible fruit cakes and puddings are smuggled into the dog's dish, where they will test once and for all the theory that canine gastric juice is so stout it can digest anything.

All the needles shed by the Christmas tree and the other forest clutter dragged in from the woods are swept up and taken back outside where they belong — even the ones that got into the beds.

The Christmas cards, which have been on display in the bright hope someone might notice and comment on their richness and diversity, are taken down, the names listed for retaliation a year hence and the cards heaved into the incinerator.

The stuff that Santa Claus brought in his pack is absorbed into the all-around clutter and chaos of daily living, except for those awkward odds and ends that never fit in anywhere and ultimately will be junked or passed on to others via white elephant sales.

The warm glow of good feeling that keeps getting hotter until it threatens to burn down the joint between Dec. 25 and Jan. 1 cools off and yields to the skepticism that keeps the human race from believing in Santa Claus and the free lunch the rest of the year.

All the kids go back to school where they belong, thus sparing their families nervous breakdowns and liberating the family car for driving one hundred miles to say hello to some juvenile who was being said goodbye to a few hours ago.

Once competent employees who haven't been worth the price of the mistletoe and holly it took to throw them off stride belatedly and reluctantly turn their attention once more to the business at hand, which is to keep the place out of bankruptcy until next Christmas.

Living rooms that have been 6-hour-a-day dens of danger and distraction are restored to what they are supposed to be; namely, havens of refuge in which adults who must take it on the chin all day can take it on the napes of their necks all evening, with the children "asleep in their beds"

where kids darned well belong after 8 p.m.

The furniture can be moved back where it belongs.

The people who trampled one another to get home for Christmas have trampled one another to get back where they belong, where they intend to stay indefinitely, praise be.

The hurt feelings because somebody else got a new red wagon and Old Scrooge didn't even loosen up with a new hoop for you-know-who finally quit throbbing.

This, too, is one of the wonders of Christmas — part of the magic of the occasion. It feels so good when it's over, just like pounding yourself on the head with a rock.

### Gems Of Thought

#### GENEROSITY

The truly generous is the truly wise, and he who loves not others, lives unblest.

—Henry Home

The secret pleasure of a generous act is the great mind's bribe.

—John Dryden

He who is afraid of being too generous has lost the power of being magnanimous. The best man or woman is the most unselfish.

—Mary Baker Eddy

The generous who is always just, and the just who is always generous, may, unannounced, approach the throne of heaven.

—John Caspar Lavater

Generosity, wrong placed, becometh a vice; a princely mind will undo a private family.

—Thomas Fuller

When you give, take to yourself no credit for generosity, unless you deny yourself something in order that you may give.

—Sir Henry Taylor

## Ohio Senate Committees To Be Named

### Speaker Lantz Picks 22 In House, Self As Rules Chairman

COLUMBUS, Ohio (AP)—Senate committees in the Democratic-controlled 103rd General Assembly will be named today.

House committees—22 in all—were named Tuesday night by Speaker James A. Lantz (D-Fairfield) who appointed himself chairman of the powerful 10-member rules committee. That group controls the destinies of legislation approved by other committees.

He named these other members to the rules committee:

Andy Devine (D-Lucas); George Hook (D-Brown); A. G. Lancione (D-Belmont); James J. McGee (D-Cuyahoga); Rhoderic G. Mills (D-Perry); Jesse Yoder (D-Montgomery); Roger Cloud (R-Logan); Robert F. Groneman (R-Hamilton); Kline L. Roberts (R-Franklin) and Kenneth A. Robinson (R-Marion).

Other committees and their chairmen, all Democrats:

Agriculture (21 members) — George E. Leist, Pike County.

Commerce and transportation (21)—Theodore R. Boring, Vinton County.

Conservation (21)—Ed Wallace, Pickaway County.

Education (23)—William F. Rofcar, Ottawa County.

Elections and federal relations (21)—Adny Devine, Lucas County.

Finance (23)—G. D. Tablack,

Mahoning County, chairman; general section, Thomas J. Barrett, Mahoning County, chairman education section, Rolland Bright, Hocking County, chairman; welfare section, Francis D. Sullivan, Cuyahoga County, chairman.

Financial institutions (19)—Rolland Bright, Hocking County.

Health (13) — Vernon Hisrich, Tuscarawas County.

Highways (21) — George Hook, Brown County.

Industry and labor (17)—Francis F. Reno, Lucas County.

Insurance (13) — Thomas L. Thomas, Summit County.

Interstate Cooperation (7) — James F. McCaffery, Cuyahoga County.

Judiciary (23) — Miss Frances McGovern, Summit County, chairman; general section, Michael A. Sweeney, Cuyahoga County, chairman; special section, Hugh A. Corrigan, Cuyahoga County, chairman.

Metropolitan areas (17)—James P. Kilbane, Cuyahoga County.

Military affairs (13)—Robert L. Roderer, Montgomery County.

Mines and natural resources (13)—Joseph Loha, Jefferson County.

Organization of state government (19) — Frank R. Pokorny, Cuyahoga County.

Public welfare (19)—Norman A. Fuerst, Cuyahoga County.

Reference (7) — Martin Galvin, Lucas County.

Cleveland Hotel Fire Routs 50 Occupants

CLEVELAND (AP) — A fire in the Bolivar Hotel, a five-story brick structure in downtown Cleveland, routed 50 occupants early today.

Assistant Fire Chief Mathew Fitzgerald said everyone got out without injury.

## Receipts Rise At Post Office

### Wellsville Increase Mainly Higher Rates

The 1958 receipts at the Wellsville Post Office showed an increase over the previous year, Postmaster Elmer Evans said today in his annual report.

Receipts last year totaled \$47,434.32, compared to \$42,375.11 for 1957.

However, Evans pointed out that the 80 per cent of the \$5,059.21 increase was due to the higher rates which went into effect in July. The 1957 receipts had declined from the 1956 total of \$43,329.17.

The 1950 total was \$31,064.21 and the 1945 total was \$32,481.26.

Receipts are derived from the sale of stamps, stamped paper, box rentals and meter machines, Evans said.

Machine cancellations of mail during December totaled 199,216 pieces. This is a decline of 13,905 pieces from the 213,121 of December 1957 and represents a 6.52 per cent loss.

Evans said this is in line with the other Post Offices in the area.

The cancellation total does not include bulk or second class mail handled during the month.

### Barracks Fire Victim

SYRACUSE, N.Y. (AP) — Airman 3 C. Joseph E. Stoll Jr., 18, of 41 Marshall St. Norwalk, Ohio, is among those listed as dead in Tuesday's barracks fire at Syracuse University. He leaves his father, Joseph E. Stoll Sr.

## City Will Continue Yule Tree Haul For East End Area

Street department trucks will continue the annual citywide roundup of discarded Christmas trees Thursday, working for the second day in East End and also moving into the fringes of the downtown area.

Launched Monday, the tree collection will continue through Friday. The street department is following incinerator department trash collection routes for the roundup, but covering in one day the area normally given trash service in two.

The trucks are working today on Pleasant Heights and in the western section of the First Ward. The route for Thursday is:

Globe St., Etruria St., Cleveland Ave., Palissey St., Wedgewood St., Holliday St., Park Ave.,

Alpha St., Oakland Ave., Price St., Valley Ave., Elizabeth St., Putnam St., Harvey Ave., Ohio Ave., Michigan Ave., Little England, E. 2nd, 3rd, 4th and 5th Sts., Broadway, Walnut St., Elm St., College St., Sugar St., Thompson Ave., Vine St. and Blakeley St.

### Commissioners Plan To Meet Twice Weekly

LISBON — Columbiana County commissioners have set Mondays and Thursdays as their meeting days, according to R. Max Gard, president.

Gard said Thursday was picked because there is so much work on Fridays and very little on Mondays. He said meeting on Thursdays would permit a better distribution of the work.

Meetings will be held from 10 a. m. to 4 p. m., Gard said.

The  
outlook  
for  
'59  
at

# National Steel

Equipped with the largest ingot capacity and the most modern and efficient facilities in its history—results of a multi-million-dollar program of building and improvement—National Steel is better prepared to serve its customers than ever before . . . better prepared to supply expanding steel requirements basic to the continuing growth and prosperity of our country.

Result for 1959: greater capacity for standard steel products prominently identified with National Steel. Hot and cold rolled sheet and strip steels, for instance, for today's better automobiles and a wide range of other products for industry, farm and home; more tin plate for the billions of containers needed for the year's pack of food and countless other commodities.

Ahead for '59 at National Steel are further extensions of steel's utility—through a consistent program of research and development from which has come such recent National Steel achievements as:

**New GLX-W steels—a major breakthrough in steelmaking . . .** This new series of columbium treated, high-strength mild-carbon steels brings important *cost* and *weight* savings to steel users. Where design permits the replacement of carbon steel with GLX-W steels, weight savings of from 20% to 35% and cost savings of from 10% to 25% can be realized. When replacing alloy steels, the cost savings can range from 25% to 35%. With an exceptionally fine grain structure, the new series offers superior qualities of strength, toughness and weldability. These new steels come from the metallurgical research of our Great Lakes Steel Division, a leading producer of flat-rolled steels and of the famous N-A-X High-Strength steels.

### New steels in colors, textures, patterns . . .

glowing enameled colors and vinyl-laminate finishes from our new Enamelstrip Division. The imaginations of engineers and designers are about the only limits on the application of these steels for decorative and protective purposes. Available in coils and sheets, Enamelstrip products provide important manufacturing economies. The beauty of their finish is not impaired by the most severe fabrications.

### Steel buildings in color, a National first.

Our Stran-Steel Division now offers its new low-cost, pre-engineered Stran-Steel buildings in *Stran-Satin color*. Your choice of six warm hues factory-applied—the vinyl-aluminum coatings give outstanding service life, will not fade or peel.

### New zinc-coated steel. From metallurgical research of our Weirton Steel Division new types of zinc-coated steel have been developed: Weirkote with spangle-free surface, Weirkote with minimized spangle and Weirkote with differential coatings. These zinc coatings of Weirkote, including the conventional spangle surface, are applied by the new continuous method and will not flake or peel under any fabricating process used for *uncoated* steel. This quality eliminates the need for plating or dipping after fabrication in many applications. Weirkote and Weirzin, from our Weirton Steel Division, reduce the cost, add to the quality of finished products.

At National Steel, the outlook for 1959 is for a year of continuing improvement in facilities, products and service. If *your* outlook includes areas in which we may be of help, our organization is very much at your service. National Steel Corporation, Grant Building, Pittsburgh, Pa.

## As GOP Leader In House

My Policy Was Persuasion,  
Martin Says After Ouster

WASHINGTON (AP)—"My policy was persuasion," Rep. Joseph William Martin Jr. told newsmen after the Republican caucus had ousted him Tuesday as party leader in the House.

In that phrase, he was saying a great deal about his defeat by hard driving Rep. Charles A. Halleck of Indiana — and about Joe Martin, the Massachusetts Yankee who headed House Republicans for 20 years.

The 74-year-old Martin conceded ruefully his Republican opponents jumped on him because "I didn't give the Democrats hell enough." But he said he had to angle for Democratic votes for Republican administration policies.

Those who pressed to replace Martin as floor leader might contend he had had more gusto than skill in debate.

Millions of television-watching Americans remember how Martin, presiding over the 1956 Republican convention, was taken aback by a high-spirited delegate's nomination of the mythical Joe Smith for vice president.

"Take your Joe Smith and get

out of here," was the best Martin could think to say.

He had been a Republican officeholder and hardworking party man for almost a half-century. It was obvious his first defeat deeply grieved him.

Martin said he'd have plenty to do as representative of the 14th Massachusetts District, publisher of the Evening Chronicle of North Attleboro, his birthplace, and the Franklin Mass. Sentinel.

A bachelor, Martin was born Nov. 3, 1884. He went into newspapering immediately on graduation from the North Attleboro public schools and soon entered politics, winning a seat in the State House of Representatives in 1912.

He was elected to Congress in 1924 and regularly thereafter. He presided over every Republican national convention beginning in 1940. For two years starting in 1940 he was chairman of the Republican National Committee.

Martin became Republican House leader in 1939. By virtue of his leadership, he was twice speaker of the House — when the Republicans controlled it in 1947-48 and 1953-54.

Rockefeller  
Tells About  
More Taxes

ALBANY, N.Y. (AP) — Gov. Nelson A. Rockefeller launched his administration today by telling New Yorkers they must pay millions more in state taxes.

The new Republican governor declared in his first annual message to the Legislature that the state's fiscal affairs had fallen into "a serious condition of deterioration" under Democrat Averell Harriman.

"Much as we deplore the facts," he said, "conditions require additional tax revenues now."

Rockefeller said he was struggling with a deficit of "at least 230 million dollars" in the new budget.

He said he would spell out his tax proposals in the budget message, which he must submit to the GOP-controlled Senate and Assembly by Feb. 1.

The governor's 7,000-word message heaved strictly to state problems, unlike his inaugural message, which carried strong international overtones and prompted new speculation on Rockefeller's White House potential.

Soup croutons from leftover bread: spread slices of partly stale bread with butter, sprinkle with your favorite herb and just a trace of curry; broil until lightly brown; cut in 1/4 to 1/2-inch squares.

Two Senate GOP  
Groups To Clash  
On Leader Issue

WASHINGTON (AP) — Two groups of Senate Republicans moved toward a head-on clash behind closed doors today for power in the Senate's GOP leadership.

Peacemakers among them still were trying to work out some compromise, fearful that in electing their floor leader and whip, the Republicans might split wide open their already thinned ranks.

An insurgent group of self-styled Liberals led by the veteran Sen. George Aiken of Vermont pledged a no compromise fight to elect Sen. John Sherman Cooper of Kentucky as the GOP floor leader and Sen. Thomas Kuchel of California as whip.

The conservatives, quarter-backed by Sen. Styles Bridges of New Hampshire, backed Sen. Everett M. Dirksen of Illinois for leadership, and claimed enough votes to elect him.

The winner needs at least 18 votes if all the 34 eligible senators participate. In advance of the balloting, some conservatives claimed at least 19 votes lined up for Dirksen.

A good trick with very thin steaks with little fat is to dip them into a French dressing or salad oil before broiling or pan-frying.

PUC Delays Increase  
In Beaver Gas Rates

A proposed rate increase for customers of Peoples Natural Gas Co. of Pittsburgh in Beaver and 12 other Western Pennsylvania counties has been suspended until July 27 by the Pennsylvania Public Utilities Commission.

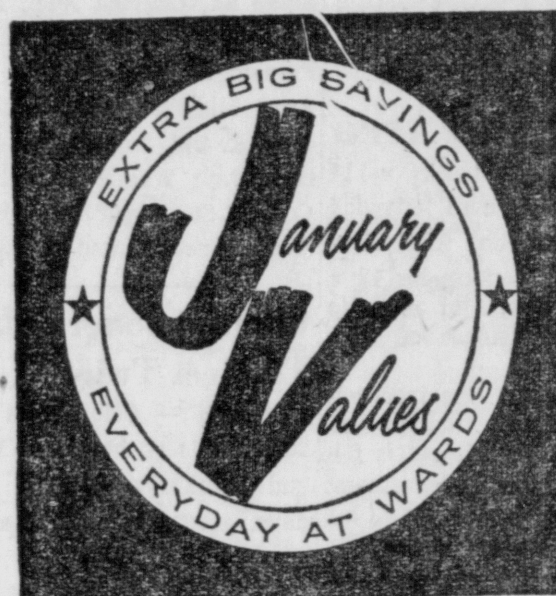

The PUC ordered an investigation of the boost and said public hearings will be scheduled as soon as possible. The City of Pittsburgh and a group of individual customers have opposed the increase, which was to have become effective Jan. 27.

Some 253,158 customers would be affected by the 5 per cent rate boost through a 40 - cent addition to the current minimum charge, and a 2 - cent increase for each 1,000 cubic feet of gas used in excess of the minimum 1,000 cubic feet basic charge.

The utility said the increase would average about 48 cents a month for the general service customer and 75 cents more for heating customers.

## Board Head Returned

EAST PALESTINE — Atty. Frank W. Springer was re-elected president of the Board of Education for the fourth consecutive year at a reorganization meeting Monday night. Roy Blackburn was returned as vice president, and Mrs. Kathryn Conley, clerk.

## Lisbon Board To Offer New Levy For Vote

### 3.5 Mills Proposed On Primary Ballot, Another In Renewal

LISBON — A proposed new 3.5-mill school operating levy was authorized for the May primary by the Lisbon Board of Education at a meeting Tuesday night at David Anderson High School.

The levy would produce about \$32,000 annually for needed operating expenses, according to the board. It would be for three years.

Members explained the additional funds are required for more teachers, a custodian, two new bus drivers and because of increased operating costs.

A renewal of a current 8.5-mill levy for three years was also authorized for the May election, making a total of 16 mills on the ballot.

In a reorganization session, Dr. Wade Bacon, president, and other officers were returned, including Edwin Kaufman, vice president, Henry T. Dawes, clerk, was given a four-year contract.

In other action, the board authorized temporary appropriations of \$125,100 for the first four months. Estimated receipts will be \$130,000.

Discussion was held on a proposed reappraisal of school property but action was tabled.

Discontinuance of vocational agriculture courses next year was authorized as a result of questionnaires which indicated only 15 boys would be interested. State regulations require a minimum of 18 for a course.

The board also discussed obtaining financial aid from the state for equipment to improve science, mathematics and language instruction.

Supt. Loren Early was authorized to obtain bids for window blinds for four rooms on the west side of Lincoln School. Supt. Early was also instructed to take applications for the post of custodian at the Lincoln School where a new custodian will be hired in June or later for six new classrooms to be completed in the spring.

It was reported the Lisbon-Goshen basketball game grossed \$151.26.

The board will meet with members of boards from East Palestine, Leetonia and Columbiana Feb. 25 at Columbiana.

The next meeting will be Feb. 10.

### 3 Taken To Wheeling For Kidnap Hearings

Three Aliquippa men, Donald Lane, Ronnie Wilson, and Wilbur Pete Smith, were charged with kidnaping of Mrs. Dorothy Amedeo of Chester in warrants issued Tuesday by U. S. Commissioner Nell Moran at Wheeling.

They were transferred from the Beaver County Jail yesterday afternoon and probably will be arraigned today at Wheeling.

They are accused of taking Mrs. Amedeo, 32, across the state line into Pennsylvania Aug. 15. Russell Meskow, chief of detectives in Beaver County, said Wilson and Lane have admitted to the robbery of the Chester tavern operated by her husband, Carl Amedeo. She was robbed of \$200, taken across the state line and assaulted, authorities said.

Meanwhile, the Hancock County prosecutor's office said today the county will seek jurisdiction and revealed that under an old West Virginia statute, the death penalty may be asked.

The county will seek Grand Jury indictments Jan. 13 for three charges — armed robbery and kidnaping and the capital felony — using another person to avoid capture.

The county will seek Grand Jury indictments Jan. 13 for three charges — armed robbery and kidnaping and the capital felony — using another person to avoid capture.

### First Woman Jailer

HOPKINSVILLE, Ky. — Mrs. Sue Witherspoon, a widow, is Christian County's first woman jailer. She was elected to the post over two male opponents.

## Ohio

(Continued from Page One)

The Republicans managed to accomplish something this time that the Democrats couldn't swing in 1957. They got one of their amendments adopted. They did it by raising a question of constitutionality.

Sen. Fred L. Hoffman complained to Lt. Gov. Paul M. Herbert, president of the Senate, that the form of the bill did not conform to a provision of the state constitution. Herbert upheld him and ruled, in effect, that the bill was not properly before the Senate. The ruling, if it had stood, would have killed the bill.

But the Democrats appealed from Herbert's ruling and on a 20-13 party-line vote upset it. But then they promptly supported an amendment to strike the offending sentence from the bill.

That sentence would have increased the salary of the state superintendent of insurance from \$10,320 to \$14,000 a year. DiSalle has designated Edward Stowell of Toledo for that post.

The whole hassle stemmed from the fact that authors had neglected to change another section of law which sets the salary of the insurance superintendent.

After the amendment was adopted, four Republicans joined the Senate's 20 Democrats to pass the bill as an emergency measure. Twenty-two votes were needed for passage. Republicans who voted for it are Sens. Tom V. Moorehead of Zanesville, Charles A. Mosher of Oberlin, Gordon Renner of Cincinnati and Robert R. Shaw of Columbus.

The bill went back to the House in a night session and the amendment was accepted by a 96-26 vote — only three more than the two-thirds vote needed.

House Majority Leader Jesse Yoder (D-Montgomery) assured the House a new bill will be introduced next week in an attempt to give a separate pay increase to the insurance superintendent.

The only salary cut by the new bill is that of highway director. O'Neill's salary bill of two years ago set the salary at \$30,000—\$5,000 more than the governor receives — to entice Charles M. Noble of New Jersey to take the job. The DiSalle salary bill cuts the highway director's pay back to \$22,500.

The bill raises from \$10,000 to \$14,000 the salaries of the directors of commerce, public works, industrial relations, agriculture and highway safety.

Directors of natural resources, workmen's compensation, unemployment compensation, and liquor control are raised from \$12,000 to \$14,000.

The director of finance and the tax commissioner go from \$12,000 to \$15,000.

The director of health goes from \$12,000 to \$18,000 and the director of mental hygiene and correction from \$18,000 to \$22,500.

Senate Majority Leader Frank W. King of Toledo assured the Senate DiSalle has no intention of changing his mind later about the increases. Some weeks after O'Neill asked and got whopping pay raises for his cabinet members in 1957, he asked the legislature to cut them all back again — except for the highway director.

They were transferred from the Beaver County Jail yesterday afternoon and probably will be arraigned today at Wheeling.

They are accused of taking Mrs. Amedeo, 32, across the state line into Pennsylvania Aug. 15. Russell Meskow, chief of detectives in Beaver County, said Wilson and Lane have admitted to the robbery of the Chester tavern operated by her husband, Carl Amedeo. She was robbed of \$200, taken across the state line and assaulted, authorities said.

Meanwhile, the Hancock County prosecutor's office said today the county will seek jurisdiction and revealed that under an old West Virginia statute, the death penalty may be asked.

The county will seek Grand Jury indictments Jan. 13 for three charges — armed robbery and kidnaping and the capital felony — using another person to avoid capture.

The county will seek Grand Jury indictments Jan. 13 for three charges — armed robbery and kidnaping and the capital felony — using another person to avoid capture.

### First Woman Jailer

HOPKINSVILLE, Ky. — Mrs. Sue Witherspoon, a widow, is Christian County's first woman jailer. She was elected to the post over two male opponents.

## Deaths and Funerals

### Death Claims Woman At 94

#### Midland Resident's Rites To Be Friday

Mrs. Mattie Williams, formerly of 472 Penn Ave., Midland, died Tuesday at 11:25 p. m. at the Beaver County Home Hospital in Monaca. She was 94.

Mrs. Williams was born in January 1863 in Kentucky. She was the widow of John Williams, who died in 1955. There are no known survivors.

Services will be held Friday at 2 p. m. at the Leavell Funeral Home by the Rev. J. M. Marberry of the First Baptist Church at Midland. Burial will be in the Oak Grove Cemetery at Midland.

Friends may call at the Midland funeral home after 7 tonight.

#### Mrs. Clare Batchelder

Services were held Dec. 31 at St. James Catholic Church in Falls Church, Va., for Mrs. R. Clare Batchelder, widow of Henry D. Batchelder and former East Liverpool resident.

Burial was in Arlington National Cemetery.

She is survived by a son, a daughter, and three sisters, including Mrs. Margaret Watson of East Liverpool.

#### Mrs. June Rogers

Mrs. June McDaniel Rogers of Bucyrus, daughter of Mr. and Mrs. Thomas J. Smith of East Liverpool, died there early today.

She was born in East Liverpool.

Besides her parents, survivors include a daughter, Mrs. Gerry Ann Conley of Aurora; a brother, Elmer E. Ralston of Fort Hamilton, N. Y., and four sisters, Mrs. Greta Gochenour and Mrs. Marion Lamp, both of Warren, and Mrs. Kathleen Oliver and Miss Bernice Ralston, both of East Liverpool.

The Martin Funeral Home is in charge of arrangements, which are incomplete.

The Oliver Funeral Home is in charge of arrangements.

#### Infant Pike

EAST PALESTINE — Funeral arrangements are pending for the infant born dead Tuesday to Mr. and Mrs. Edwin Pike, 58 W. Main St.

The stillbirth, a girl, occurred at home and Mrs. Pike is in "good" condition at Salem City Hospital.

The Oliver Funeral Home is in charge of arrangements.

If you have doorstep milk delivery make sure that milk in glass bottles never stands exposed to strong sunlight; sun destroys the riboflavin in the milk.

## Power

(Continued from Page One)

ture of \$31,800,000 on the big unit at Sporn Plant, a generating machine which, when completed, will be 73 per cent larger than any other power-producing unit in the world. Total cost of the addition to the existing 600,000-kw. plant is \$60,400,000.

At the Kammer Plant, Ohio Power plans to spend \$685,000 this year to complete construction of the third 225,000-kw. unit, due for service in February.

In general classifications, the 1959 forecast includes the following breakdown:

\$34,122,000 for power plants, \$1,429,000 for transmission sub-stations, \$1,865,000 for distribution sub-stations, \$3,035,000 for transmission lines, \$9,867,000 for distribution lines, \$1,225,000 for coal lands and equipment and \$1,316,000 for miscellaneous projects.

In the company's Eastern Division, major improvements are scheduled in the Steubenville and East Liverpool areas, and some work will be done at the Tidd Plant at Brilliant. It was announced by W. S. Welday, division manager, and Fred C. Harmon, manager of the Tidd Plant.

In Steubenville, the utility plans to spend \$273,000 this year to increase electric capacity to the Weirton Steel Co. plant and to relocate and modernize facilities serving the downtown area.

Enlargement of the Weirton Steel plant in Steubenville has made necessary an additional 69,000-volt service to take care of the increased demand for power. The lines, transformers and circuit breaker switches required will cost approximately \$133,000, Welday said.

In East Liverpool, the power "loop" out of the 2nd St. sub-station will be converted from 23,000 to 69,000 volts. The line connects 2nd St., State Line, Calcutta, and East End sub-stations in East Liverpool with the 3rd St. station, Wellsville.

Facilities at these stations will be revamped to accommodate the higher voltage line. As another portion of the project, the Calcutta and Glenmoor areas will be converted to a distribution voltage of 12,000 volts.

A number of smaller projects are scheduled for the division this year. The Eastern Division includes, in addition to Steubenville and East Liverpool, the areas in and around Bellaire, Cadiz and Dillonvale.

At Tidd Plant, work on the tur-

bine of one of the two units will cost about \$80,000 this year, according to Harmon.

## Wellsville Kaycees

### Set Family Communion

Wellsville Council of the Knights of Columbus will hold a family Communion at the 9:30 a. m. Mass Sunday at the Immaculate Conception Catholic Church.

Plans for the event were outlined at the Council meeting Tuesday night. Ernest McCarty, Catholic activities chairman, is in charge.

Sam Amato, general program chairman, outlined the February programs. James Ross, grand knight, presided.

## Killed By Train

ELYRIA, Ohio (AP)—An east-bound New York Central passenger train struck a state highway department road grader at an Ohio 76 crossing Tuesday, killing Roderick D. Kemp, 30, of Ashland. Kemp had been using the grader to plow snow on the highway. Lorain County Sheriff Deputy Michael R. Pappas said the noise of the grader probably kept Kemp from hearing the approaching train. He said flasher lights at the crossing were operating.

## Member Of Park Commission Ends 30-Year Service

James A. Forbes, 708 Broadway, has resigned as a member of the Wellsville Hammond Park Commission after over 30 years service.

His letter of resignation was read at a meeting of City Council Tuesday night and accepted with expressions of regret.

Forbes, a carpenter, was one of the original members when the commission was formed.

He assisted in building the first shelterhouse at the park and a new shelterhouse about two years ago.

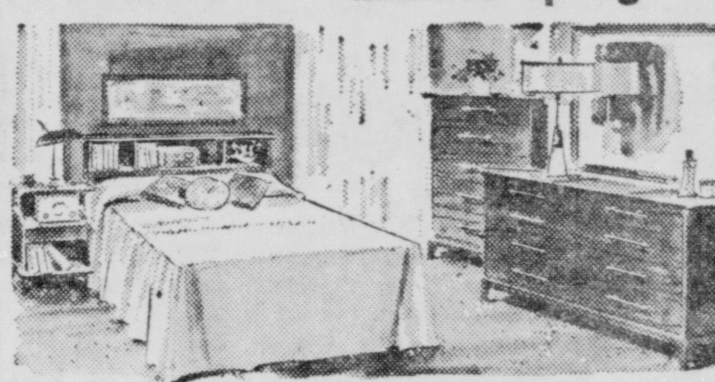

Kenneth Bell, clerk, was directed to send him a letter of recognition in appreciation of his service.

Fire Chief Robert Lewis, chairman, said the commission will make a recommendation for a successor in the near future.

## Consular Relations Set

CAIRO (AP) — East German Premier Otto Grotewohl announced today that his government and the United Arab Republic have agreed to establish consular relations.

# The Social :- Notebook

Miss Donna Jean Havens, daughter of Mr. and Mrs. Robert Havens of St. Clair Ave. Ext., became the bride of Ronald Lee Stauffer, son of Mr. and Mrs. William Stauffer of the Sprucevale Rd., Saturday evening, Dec. 27, at the Boyce Methodist Church.

The double-ring ceremony was performed before an altar banked with fern, palms and candelabra by the Rev. Gail McQueen, pastor.

Mrs. Dorothy Golba, church organist, presented a half-hour of traditional organ music.

Given in marriage by her father, the bride wore a full-length gown of embroidered satin and taffeta featuring a bell-shaped skirt with tulle back extending into a chapel train.

The bodice was fashioned with a square scalloped neckline with long pointed sleeves. Her fingertip veil of lace tulle was held in place by a jeweled crown. She carried a white Bible topped with an arrangement of ivy streamers and carnation petals, centered with white baby orchids.

Miss Laverne Bartley, maid of honor, was attired in a ballerina-length gown of blue and white embroidered nylon. She wore a matching nylon and net flowered crown and carried an arm bouquet of pink roses.

Miss Patricia Havens, sister of the bride, and Miss Linda Rowley were bridesmaids. They wore ballerina-length gowns of blue and silver and blue and white, respectively, and carried arm bouquets of pink roses.

William B. Stauffer of Lowellville was his brother's best man. Charles Stauffer, another brother, and Sam Crane were ushers.

The mother of the bride wore a royal blue jersey wool dress with white accessories and the bridegroom's mother was attired in a Navy blue wool dress with white accessories. Both wore corsages of white rosebuds.

A reception for 100 was held at the home of the bride's parents. A four-tier cake topped with a bridal couple centered the buffet table. Aides were Mrs. Betty Delaney, Mrs. Jeanette Shasteen and Mrs. Donna Shevlin, aunts of the bride, and Mrs. Rose Rambo and Mrs. Shirley Brennehan, cousins.

The bride is a 1958 graduate of East Liverpool High School and attended Ohio Valley Business College.

The bridegroom is a 1957 graduate and enlisted in November in the Army Security Service.

The bride is remaining with her parents and will join her husband after he has completed his basic training at Ft. Jackson, S. C.

Out-of-town guests were from Pittsburgh, Freedom, Marion,

Delaware, Youngstown, Lowellville, New Waterford, Rogers, Cleveland and Chicago.

Officers were elected by the Martha Circle of the United Presbyterian Women's Organization of the Second Presbyterian Church when it met Monday night at the home of Mrs. Lillie Clemenson, 1037 Ohio Ave.

They are: Mrs. Marilyn Cowan, chairman; Mrs. Zelma Walton, secretary; Mrs. Clara Horger, treasurer; Miss Grace Chamberlain, world service chairman; Mrs. Charlotte Cole, program chairman, and Mrs. Hazel Johnson, fellowship chairman.

Mrs. Cole was in charge of the worship. Mrs. Evelyn Owens gave the background for the Bible study from Acts 1-9. Mrs. Cowan conducted the study and members participated with Scripture references. She concluded with reading from the Yearbook of Prayer.

The group were reminded to bring sheets and shirts for the work day to be announced later.

Lunch was served by the hostess, assisted by Mrs. Marie McGrew.

Mrs. Cowan and Miss Chamberlain will be hostesses Feb. 2 at a place to be announced. Mrs. Johnson will have the devotions.

The Monday Duplicate Bridge Club met in the evening with Mrs. Walter Niblock, 1009½ Avondale St.

First prize winners were Mrs. Dorothy Vodyre and Mrs. Alva Berg and second, Mrs. Donald Gass and Mrs. Niblock.

Lunch was served by the hostess.

Mrs. Edna Sweeney of W. 4th St. will entertain Jan. 19.

Facts about Mahatma Gandhi were given in response to roll call at a meeting of the New Century Club Saturday afternoon at the Mary Patterson Memorial Home.

Miss Bernice Myler, president, opened the meeting with the reading, "New Year's Hymn."

Mrs. L. B. Lemon read a paper on India prepared by Mrs. Bess Parsons, program chairman.

Lunch was served to 15 by the hostess, Mrs. Richard Brian.

The next meeting will be Jan. 24 at the Mary Patterson, with Mrs. Herbert Plotts as hostess. Miss Kathryn March will present the program on Japan.

Mrs. Bessie White read Ps. 91 for devotions at the meeting Friday night of the McGaffie Memorial Class of the Boyce Methodist Church with Mrs. Clara Thorn, 1908 Michigan Ave.

The opening prayer was given by Mrs. Mae Duffy. "One Night in the Inn" (Norman Vincent Peale) was read by Mrs. Ethel Armstrong.

Mrs. Clara Thorn reviewed the movie, "What Price Freedom," recently screened at the church. The story centered around East Berlin behind the Iron Curtain.

Mrs. Florence McGaffie, president, was in charge of business. Reports on the Christmas projects were given by Mrs. Ella Jackson, Mrs. Lillian Talbot and Mrs. McGaffie. The project of purchasing a refrigerator for the Boyce Auditorium was completed. A donation was made toward the fund for the support of the Korean Orphan sponsored by the class. The social calendar for the coming year was planned.

The meeting closed with The Lord's Prayer. Lunch was served to 13 by the hostess assisted by Mrs. Talbot. The new trays purchased by the members were used.

Mrs. Wanda Green will entertain Feb. 6 at the home of her daughter, Mrs. William Bennett, 706 Oakland Ave. Mrs. Alice Wilson will be the associate hostess.

The Sara Circle of United Lutheran Church Women of St. John's Evangelical Lutheran Church met Monday night in the Parish Hall with 12 attending.

Mrs. Edwin Carson, program chairman, presented the topic, "Migrants are People, Too" (Fuchs). Participating were Mrs. Alvin Arner, Mrs. Earl Bole, Mrs. Alvin Collins, Mrs. Duane Kilmer and Mrs. Kenneth Scott.

For devotions, Mrs. Alvin Stevens read Matt. 22:25, and "Lift Up Our Hearts" and "Rise Up, Oh Men of God" were sung, accompanied by Mrs. Collins.

Mrs. Frank Miller, leader, received the offering and closed with prayer.

Mrs. Carson, project chairman,

MISS SHIRLEY BEOHM  
Fiancee Of William Cornwell

## Shirley Beohm's Betrothal Told; Nuptial To Be Set

The engagement of Miss Shirley Beohm to William Cornwell has been announced by her parents, Mr. and Mrs. Charles H. Beohm, 1805 Danbury Ave., Wellsville.

No date has been set for the wedding.

The bride-elect, a 1957 graduate of Wellsville High School, is a linotype operator at the Wellsville Press. Her fiancé is the son of Mr. and Mrs. George Cornwell, 1622 Clark Ave., and also graduated from the high school in 1957. He is employed at the Wesco Manufacturing Co.

Lunch was served by the hostess, assisted by Mrs. Marie McGrew.

## SOCIAL NOTES

(Continued from Page 8)

"Physical Fitness" was the subject of a talk by Miss Sara Thomas at a meeting of the Junior Women's Club Monday night at the American Legion home. She also led the group in calisthenics.

Miss Mary Sue Rolley and Miss Donna Jones were enrolled as new members.

Mrs. Donald Glass was named ways and means committee chairman, succeeding Mrs. Wilbert Sayers who resigned. Miss Frances Floyd was named a member of the remembrance committee.

Refreshments were served by the hostesses, Mrs. Sayers and Mrs. Edwin Wine. Mrs. Donald Hood, president, was in charge.

The next meeting will be Jan. 19.

Mrs. A. W. Hall will be leader at a meeting of the United Workers Class at the First Christian Church Thursday night at 7:30 o'clock.

The WSCS of the Methodist Church will meet Thursday night

at 8:30 o'clock at the Durbin Memorial Center.

The group will attend church services before the meeting.

The Grandview Farm Women's Club will meet Thursday night at 7:30 o'clock with Mrs. Robert Bryan of Lawrenceville.

The Royal Neighbors of American Lodge 10772 will meet Thursday night at 7:30 o'clock at the Veterans of Foreign Wars home.

Mr. and Mrs. Charles H. Pruden, 127 Pennsylvania Ave., have announced the engagement of their daughter, Miss Carley Pruden, to Glen H. Logston of Carolina Ave.

Miss Pruden is a 1958 graduate of Chester High School and is employed at the National Church Supply Co.

Her fiancé is the son of Homer Logston of 3rd St. and Mrs. Charles Bebout of LaCroft. He attended school in Chester, and is employed at the Mackintosh-Hemphill Co. at Midland.

Feb. 27 is the date set for the wedding.

### Wellsville Society

Miss Ruth Urie LE 2-2288

Mrs. Nessie Dunlop of East Liverpool will project slides and tell of her trip to Scotland and the Brussels World's Fair at the dinner meeting of the Bethia Southwick Chapter of the Daughters of the American Revolution Friday night at 6:30 o'clock at Platt's Tea Room.

Officers will be in charge of the table for the 6:30 o'clock dinner of the Golden Reapers Class Thursday night in the social rooms of the First Methodist Church.

Members are to bring an article for the auction.

Mrs. Irma Vaughn, 525 Commerce St., entertained 14 members of the Past Worthy High Priestess Club Monday night.

Devotions were led by Mrs. Helen Morgan and business was conducted by Mrs. Vaughn, president. Games, arranged by Mrs. Eva McCombs, were the diversion. Mrs. Ruth Ballard of Provo, Utah, was a guest. Lunch was served by the hostess.

A covered supper will be held Feb. 2 at 6:30 o'clock in the social rooms of the Central Federal Savings & Loan Co. Devotions will be supervised by Mrs. Jennie Calhoun and the program leader will be Mrs. Gladys Keys.

### Midland Society

Mrs. Alfred Steff MI 3-2131

The Rev. Robert P. Garland, assistant pastor, christened two infants in the Presentation Catholic Church Sunday afternoon.

The daughter of Mr. and Mrs.

## Nancy G. Willis Of St. Louis Weds Lt. J. D. Thompson Jr.

Miss Nancy Gail Willis, daughter of Mr. and Mrs. William Robert Willis of St. Louis, became the bride of Lt. Josiah Donald Thompson Jr., son of Mr. and Mrs. Josiah Donald Thompson of Park Blvd., on Dec. 27 at the University Methodist Church in St. Louis.

The ceremony was performed by Dr. Jesse E. Thomas, pastor, before an altar arrangement of white flowers with clusters of Christmas trees at both ends of the chancel rail. Tall lighted candles, interspersed with holly, illuminated the center aisle.

Given in marriage by her father, the bride wore a gown of ivory peau de soie, designed with an oval neckline trimmed with jewels, short sleeves and a bell-shaped skirt extending into a chapel train.

The wide cummerbund was tied in the back with a single loop falling into a panel ornamented with silk roses. Her rosepoint lace veil, worn by six generations of the bridegroom's family, was fashioned into a cap from which her veil of illusion, appliqued with the same lace, fell fingertip length. She carried a bouquet of white orchids combined with sprays of moth orchids. She wore an antique sunburst pin of pearl clusters surrounding a diamond, a gift of the bridegroom.

Miss Carol Willis was her sister's maid of honor. Bridesmaids were Miss Carol Thompson of Park Blvd., cousin of the bridegroom, Miss Barbara Schluter, Miss Mary Goodson and Mrs. Harry Blagbrough.

They wore identical holly green satin sheath gowns styled with short sleeves and crushed necklines with chiffon panels in the back. Matching velvet bandeaux with circular veils completed their attire. The maid of honor carried a bouquet of red carnations and the bridesmaids carried bouquets of white split carnations.

Christy Lynne Willis, sister, and Janet Struss, cousin of the bride, were flower girls. They wore long white organdy gowns tied with green taffeta sashes with wreaths of white blossoms for headbands and carried nosegays of red and white carnations.

Lt. Michael Kohler served as best man. Ushers were Col. Keith B. McCutcheon, brother-in-law of the bridegroom; John C. Thompson, cousin of the bridegroom; Robert Donald Willis, brother of the bride; Jackman S. Voderberg, N. C.

Robert Felekey, 121 5th St., was christened Laura Rita Felekey. The uncle and aunt, Mr. and Mrs. Anthony Kazman of Penn Ave., served as godparents.

The parents served a dinner to the godparents and members of the immediate family.

The daughter of Mr. and Mrs. William Selepec, 1023 Midland Ave., was christened Mary Therese Selepec. Mr. and Mrs. Ralph Cilli of the Midland-Fairview Rd., uncle and aunt, are the godparents.

The parents served a dinner to the godparents and members of the immediate family at the home of the maternal grandparents, Mr. and Mrs. Nick Cilli of Midland Ave., following the ceremony.

### Newell Society

Charles Cronin FU 5-4545

Devotions will be led by George Whaley, teacher, when the OUR Class of the Church of Christ meets Thursday night at 7:30 o'clock in the church.

Mrs. Blanche Snyder and Mrs. Mae Whaley will be hostesses. Mrs. Flossie Whittington is president.

The Peacemakers' Class of the Church of the Nazarene will meet for a covered luncheon Thursday night at 7:30 o'clock in the home of Mrs. Ruth Cater of Grant St.

### Charged With Murder

DAYTON, Ohio (AP) — James Rose, 19, father of a three-month-old son, has been charged with first-degree murder in the slaying of his wife, Linda, 18, last Sunday. Police said he admitted shooting his wife with a Christmas present she gave him—a .22 caliber pistol—because he "didn't want to be

MRS. J. D. THOMPSON JR.  
Bride Of City Naval Reservist

rey and Richard A. Lumpkin.

The mother of the bride wore a green taffeta sheath dress designed with imported matching lace and a headband fashioned in velvet leaves. Her corsage was of green-throated white orchids.

The bridegroom's mother was attired in a white sheath dress embroidered in silver, featuring green chiffon back panels. She wore a pearl tiara and a brown-throated white orchid corsage.

Immediately following the wedding, a reception was given at the home of the bride's parents. Gilded Christmas trees were placed at the door with seasonal decorations used throughout the home.

The bride is a 1958 graduate of Sara Lawrence College of Bronxville, N. Y. The bridegroom is a 1957 graduate of Yale University. He is a member of Phi Beta Kappa, Beta Sigma Phi and the Scroll and Key.

Lt. and Mrs. Thompson will reside in Norfolk, Va., for a short time before leaving for St. Thomas in the Virgin Islands. He will be released from the Naval Reserve in July.

The bridegroom's parents entertained with a dinner and dance at the Algonquin Country Club following the rehearsal the preceding evening.

Those attending from here were Mr. and Mrs. Malcolm Thompson, John Thompson, Mr. and Mrs. Jackman S. Voderberg, Miss Ann Pomeroy, Lt. William Pomeroy and Mrs. McCutcheon of Jacksonville, N. C.

He claimed at first the shooting was accidental.

## City Girl Scout Council Will Hold 'Sing' In March

The East Liverpool area Girl Scout Council launched plans for the annual "sing" to be held in March at its meeting Monday night in the Red Cross rooms at the Mary Patterson Memorial.

The theme will be "Your Town, USA" and intermediates will prepare handicraft exhibits along that line. Brownies will participate with songs.

Mrs. William Ogilvie, retiring president, opened the meeting and gave a tribute to the late Mrs. Mildred Pittenger, who was council leader co-ordinator.

Mrs. Donald Ogilvie, president was in charge of business when annual committee reports were given.

Resignations were received from Miss Helen Allison and Mrs. William Brokaw.

The next meeting will be Jan. 26 at the Mary Patterson.

### Hammondsville

Mr. and Mrs. Richard Gallagher and family of Connellsville, Pa., were holiday visitors of her mother, Mrs. Emma Grafton.

Clarence Boyle of Wickliffe visited over the holidays with his parents, Mr. and Mrs. John Boyle.

Mrs. Marilyn Ferry has returned to Brooklyn, N. Y., where her husband, Pvt. Glenn Ferry, is stationed with the Marines.

Mr. and Mrs. Robert Brown and daughter, Julie, of West Milton, and Mr. and Mrs. Golden Varty of Alliance visited during the holidays with Mr. and Mrs. V. G. Sivard.

Holiday visitors at the home of Mr. and Mrs. W. T. Young and family were Dr. and Mrs. A. D. Steele and family of Cambridge, Mr. and Mrs. Kenneth Rose of Canton, Mr. and Mrs. Wesley Heiney and family of Wellsville, and Pvt. Glenn Ferry of Brooklyn.

Mr. and Mrs. R. A. Frontone and daughter, Becky Ann, of Columbus, Catherine Baker of Mansfield, and Hawley Craig of Bedford, were holiday visitors of Mr. and Mrs. Stanley Baker.

## FALSE TEETH That Loosen Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH, the alkaline (non-acid) powder, on your plates. Hold false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor breath". Get FASTEETH at drug counters everywhere.

# Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: I'm so mad at you I can't see straight. You said in a column the other day a woman who loses custody of her child and is denied visiting privileges must be a pretty bad apple because most courts try to give the child to the mother if she's half-way decent. I am not quoting you exactly because I can't find the cockeyed column but that was the general idea. You're plenty naive if you don't know that a sharp lawyer or a fixed judge can get a child away from a perfectly good mother. I'm an authority on this subject because it happened to me.

My husband's family had plenty of money and they framed me. They produced phony witnesses who swore I was no good. I didn't know who these people were but they seemed to know a lot about me.

I suggest you send for the spoon that's sitting in the Philadelphia publisher's office, and eat your words. I hope this straightens you out and that you now get the picture. — FRAMED.

I got the picture but I doubt that you got the frame. If you are such a living doll where were your character witnesses? A clergyman, a doctor or a kind neighbor could have smashed the "phony" testimony to bits. Your lawyer knows the court

hasn't lost jurisdiction of your minor child. If you can present evidence that you are a fit mother, the court can always change the decision. Work along these lines if you feel an injustice has been done.

## Share Secret

Dear Ann: We've been married four years. My husband's first wife died in childbirth. I married him when his little girl was only 8 months old.

We now have two children of our own. We never told my husband's child that I'm not her blood mother. She has the same coloring as the other children and they are alike in many ways.

My husband feels we should tell the girl about her mother now that she's almost of school age. I'm afraid the news might be a terrible emotional shock to her. My motto is, "What they don't know can't hurt 'em."

May I have your thinking on this vital problem? — RAMONA.

Dear Ramona: Your motto is merely a collection of words. What people don't know often hurts them a great deal.

Children should grow up with the knowledge that they are adopted or stepchildren. When the notion is planted early there is no emotional shock. It becomes an integral part of their thinking.

If you attempt to keep this information from the child, someone out of the dim past will give her the real news one day and there will come a real emotional shock. She'll feel betrayed and her confidence in you will be shattered.

## Handle With Care

Dear Ann: Please don't pitch this letter in the basket because it sounds like an unimportant teenage problem. I need help badly.

I'm a sophomore in high school and the first part of the year was swell. A very nice guy took me to most of the school parties and to outside affairs, too.

I treated him rotten, broke dates on him and lied. Now that he's stopped calling me I realize how wonderful he is. I want him to ask me out again. How can I arrange it? — MOLLIE.

Invite him to something—soon. Let him know how you feel. If you recapture his heart, handle it with care, Lucky.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelope.

## East Fairfield

Curtis Marnee is visiting Mr. and Mrs. Fred Fuller of Rochester, N. Y. He was accompanied to Rochester Saturday by Wilman Bender and daughter, Joyce.

Mr. and Mrs. Don Adams and sons of Lisbon visited Sunday night with Mr. and Mrs. John Hawkins.

Mr. and Mrs. G. C. Stonebreaker of Akron visited the Rev. and Mrs. Mark George over the weekend.

Mr. and Mrs. Wilbur Harmon of Leetonia and Mr. and Mrs. Webster Young of Lehigh, Pa., visited Mr. and Mrs. William Wilson Friday.

Mr. and Mrs. Harry Walter and son, Larry, of Clarkson spent Friday night with Mr. and Mrs. Robert Crook and son.

## Irondale

MISS LOIS TROUP  
Fiancee Of W. E. Koenig Jr.

## Miss Lois Troup Of Fairview To Be Bride In Summer

Mr. and Mrs. Thomas W. Troup of the Tuscarawas Rd., Fairview, announce the engagement of their daughter, Miss Lois Troup, to William E. Koenig Jr., son of Mr. and Mrs. William E. Koenig, 1710 Alpha St.

The prospective bride is a senior in Midland High School. Her fiancé is a 1953 graduate of East Liverpool High School and is employed at the American Vitriol Products Co. in East End.

A summer wedding is being planned.

## Pughtown School Plans Displayed Before PTA

Ray Shaw, architect for the Hancock County Board of Education, displayed approved plans and specifications for the new Pughtown school at a meeting of the Parent-Teacher Association Monday night.

He explained how the structure will be built. The executive committee was directed to appoint a vice president to succeed Mrs. Richard Shaffer, who has moved to Florida.

The new radio purchased for the school was displayed. Mrs. Earl Stover, president, presided.

Ray Stevens, principal, screened educational films.

Lunch was served 11. The next meeting will be Feb. 2.

## Stroke Claims Writer

LOS ANGELES (AP)—Octavus Roy Cohen, 67, well known writer of books, plays and motion pictures, died Tuesday of a stroke. He won fame with his Saturday Evening Post series of stories about Florian Slappey and other Negro characters. He was born in Charleston, S.C.

## Governor Of Alaska Rests After Surgery

JUNEAU, Alaska (AP)—Gov. William A. Egan, who has spent most of his time as governor of

this new state in the hospital, was resting comfortably today after undergoing surgery.

Egan, 44, was inaugurated as the first governor of the new state of Alaska last Saturday. Four hours after the ceremony he entered the hospital.

Tuesday, during a four-hour operation, surgeons removed his gall bladder and a gall stone. They termed the operation a complete success and said Egan was in good condition.

## Keep In Trim

By IDA JEAN KAIN

### Will Power Makes Reducing Plan Work

The overweight wrote wistfully, "I am only a bit over 50 years old but I believe one's will power is the first thing that begins to give out." If you are inclined to agree with the writer of that sad song, change your tune!

This is a New Year — make up your mind that this year you are going to banish the burden of fat. Start picturing yourself slimming down beautifully. Give your mind that blue print. Strength of will is necessary. But the important fact for you to bear in mind is that the

will is strongly influenced by the way you think, talk, picture and, of course, — act.

To change wishful thinking into enthusiastic willing, create a new picture in your mind's eye. For a starter, picture yourself one size smaller. If you have a dress hanging in the back of your closet that you can no longer squeeze into, hang that dress in plain sight. Put the belt on the dress, zip it up and visualize yourself wearing it.

**DO EVERYTHING** imaginable to get the picture vividly in mind. In order to wear a size smaller you will need to slim approximately 2 inches off each of the figure controlling measurements, bust, waist, abdomen and hips.

To help you picture this size change, actually draw it. If you

have a dark dress in your closet that you've practically worn out from straining the seams, use white chalk to draw your outline one inch slimmer on each side. Hang this on the closet door.

Every night and every morning take a purposeful look at the dress, and in your mind's eye visualize yourself in that next smaller size.

On the weight score you will need to reduce from 10 to 20 pounds before you can slip into the smaller size. In small sizes there is a 10, 12 and 14 pound difference between one size and the next. In large sizes there's a 16 to 20 pound difference.

Mark a date on your calendar. Circle February 14th, Valentine's Day, as the day you will be wearing that size smaller dress. You can make that dream come true.

#### CHOICE DIET

**Breakfast**  
Chilled tomato juice, 4 oz.; poached egg and crisp strip bacon on thin slice toast.

**Luncheon**  
Choice of soup made with skim milk or hot cocoa, made with skim milk & non-nutritive sweetener; choice of grilled cube steak, 3 oz. ck. wt. on thin slice toast or grilled cheese (1 oz.) & tomato on thin slice toast or left-over chicken, ½ breast & wing, or drum stick & thigh and bread, 1 thin slice; crisp green salad (vinegar & seasoning).

**Late-Afternoon Pick-Up:** hot Bouillon with gelatine.

**Dinner**  
Protein choice of liver, 2 slices & broiled apricots or meat loaf — 2 slices (beef and veal); choice of mixed vegetables or brussels sprouts; choice of asparagus or beet greens; bread: 1 thin slice, butter, ½ pat; dessert: broiled grapefruit with brown sugar, 1 tsp., and coffee, black.

Before retiring: Glass of hot skim milk.

Total calories for day — 1,073 to 1,165.

Send a long, stamped, self-addressed envelope for "Revised Calorie Chart." Address your request to Ida Jean Kain, in care of this newspaper. Post card requests cannot be answered.

(c) 1959, King Features

### Cincinnati Fire Routs 160 Guests In Hotel

CINCINNATI (AP) — A grease-fueled fire in a downtown restaurant routed nearly 160 guests from the Hotel Cincinnati shortly after last midnight while firefighters brought the blaze under control.

The smoky fire spread to a false ceiling above the restaurant and fumes backed up into the six floors of the hotel above.

Fire Marshal Ed Avey, who turned in a third alarm when he arrived on the scene, said the hotel guest evacuation was orderly. No injuries were reported.

The floor of the restaurant was covered with up to four inches of water before the fire was brought under control.

### Taft Bells Due In April

WASHINGTON (AP) — The 25 bells in the Robert A. Taft Memorial Tower will probably not chime until early in April, after an elaborate dedication ceremony this spring. This was announced by I. Jack Martin, former administrative assistant to the late Ohio senator in whose honor the tower was constructed on the Capitol grounds.

## Supervisors' Head Retained

### Joe Kadilak Keeps Ohio Township Post

Joe Kadilak was re-elected chairman of the Ohio Township Board of Supervisors at the annual reorganization meeting Monday night.

J. E. Popp was named vice chairman and Lester Chaffee was elected roadmaster, a reversal of the jobs they held last year.

Michael Haydin was elected secretary - treasurer, succeeding Glenn Dodds.

The Beaver Trust Co. was named depository for township funds and Atty. Sam B. Wilson of Beaver was retained as counsel.

The board ended the year with a deficit of \$13,595 in unpaid bills and a bank loan.

It established a wage scale which is to be approved by the Township Board of Auditors and decided not to fill a vacancy in the police department.

The board also discussed the township's water problem with Kadilak reporting the Water Authority is making only slow progress in securing a water supply for the township.

### Kaycees To Take Part In District Initiation

Plans for participation in a district second degree initiation Sunday, Jan. 18, at 2 p. m., at Wells-ville were completed Tuesday night by Carroll Council 509, Knights of Columbus.

On the same day at 10:30 a. m., the local group will receive Communion at St. Aloysius Catholic Church.

James McGowan, district deputy, and John Johnston, master of the Fourth Degree Knights of Columbus of Eastern Ohio, will attend the state meeting of district officers Saturday and Sunday at Cleveland.

Frances Bernard of Steubenville, district insurance representative, will outline changes in the insurance program at the next meeting Tuesday night at 8. Officers will meet at 7.

### Traffic Injuries Fatal To Wickliffe Man, 48

CLEVELAND (AP) — A Wickliffe man injured in a traffic accident died early today in Euclid Glenville Hospital.

The victim, Stephen J. Kristoff, 48, suffered internal injuries Tuesday when his car hit a pole.

(Continued from Page One)

\$1,000, floodwall; \$4,000, poor relief; \$4,000, refuse disposal; \$15,000, sewage disposal, and \$200, food service regulation.

After formal business was completed, a roundtable discussion was held on the proposed \$4½ million highway, with members of the audience and Council participating.

The city's share has been estimated by the state at \$218,750—5 per cent of the costs—plus engineering fees estimated at \$125,000 and the costs of moving all utilities.

Goodkind pointed out the engineering fees will not exceed 4 per cent of actual construction costs, which does not include right-of-way costs, and would be less than the state's quoted figure. He did not give an estimate, however.

He suggested that the city consider obtaining a federal loan to pay engineering fees. If the plans are not used or construction never started, the city will not have to repay the money, he explained.

The city would be obligated to repay the loan, which is interest free, once construction was started.

He said that only a rough preliminary survey has been made of the route which is proposed along present Buckeye Ave. and that actual lines could be 800 feet in either direction. It was pointed out the highway is at least four to five years in the future.

Council accepted the resignation of Kenneth Bell, new county auditor, effective Feb. 3. He was thanked for his efforts in the post.

Applications for the clerk's job were received from Mrs. Ellen MacLean of 4th St. and Riverside and Paul F. Ice, 1762 Clark Ave.

A resolution was adopted retaining Squire, Sanders & Dempsey of Cleveland, bonding attorneys, as legal advisors for a \$300,000 sewage disposal bond issue to be sold about June 1. The maximum maturity of the bonds will be 20 years.

Council directed Safety-Service Director William S. Robinson to purchase four reflector lights at \$13.95 each for placement at dead ends at 12th and Center Sts. and 9th St. and Riverside Ave.

Solicitor William Bush reported

the city and the Corps of Engineers has options on all land in an area between 21st and 22nd Sts. near the floodwall needed for a pondage area.

Pondage area is required to handle the backflow of water through the floodwall pump during floods. The Corps of Engineers has asked the city to vacate portions of 21st and 22nd Sts. and an unnamed alley between Avondale St. and Danbury Ave. to complete the project, Bush said.

Legislation was ordered to vacate the streets.

Jack Lanam, a representative of the Wellsville Jaycees, asked Council to consider replacing about 30 street signs which have been destroyed since the installation 10 years ago. The cost is about \$15 each. The Jaycees painted the signs which are still standing during the summer.

The Jaycees were commended for their work and their interest in the city and the matter was referred to the street and light committee.

J. A. Heiney of Crawford Ave. was given permission to cut 12 feet of curb on 14th St. for a driveway at a new home he is building. Robinson will supervise the work.

Mayor William J. Shoub's report for December showed a total of \$1,467.45 collected in fines and fees.

Reports from Auditor Edgar S. Davidson and Treasurer Charles W. Stewart showed balances of \$145,645.71 and \$146,627.65, respectively, with the treasurer listing \$981.94 in outstanding checks.

## City Tax

(Continued from Page One)

their actual income balanced against their estimates, will be eligible for refunds. Those who did not pay enough in advance to cover the tax on their actual income will be expected to make up the difference.

The final reports will cover the entire life of the tax ordinance. It was enacted by Council to take effect May 1. Defeated at the Nov. 4 general election, the tax died officially on Nov. 12.

No final reports are required of taxpayers whose entire income was subject to withholding at the source. The report filed by the employer is all that is required to comply with the tax law.

Despite repeal of the tax, the city office has continued limited operations to close out its business — particularly readying the report forms that are due in April. In its temporary appropriation ordinance enacted Monday night, Council provided funds for operation of the office at least through March.

## Auto Mechanics Aired By Demonstration Unit

LISBON — Seventeen members of the County Home Demonstration Council met Tuesday in the vocational agriculture room at United Local School and discussed "Simple Auto Mechanics."

A film "ABC of Automotive Engines," also was shown. Franklin Gall, parts and service manager at Loudon's Garage in Hanover, and Don Myers, county agent in charge of 4-H clubs, gave talks on how to change and repair a tire, and the right kind of lubrication and oils needed for cars under different weather conditions.

## Research Head Dies

CHICAGO (AP) — Walter A. Kraft, 69, president of the University of Chicago Cancer Research Foundation, died Tuesday. Kraft was president of the Emporium World Millinery Co.

## Congress

(Continued from Page One)

Sherman Cooper of Kentucky, former ambassador and staunch Eisenhower supporter, for the post. Dirksen was credited with an edge.

The liberals were trying also to install Sen. Thomas Kuchel of California as party whip, or assistant leader. Dirksen now holds that post.

On the other side of the political fence, Democratic Leader Johnson was reported ready to take the play away from a bipartisan group of civil rights advocates who want a rules change to make it easier to kill off filibusters.

In the last session of Congress, Johnson was one of the sponsors of a resolution that would provide that two-thirds of those voting could end debate. The present rule requires the affirmative votes of 66 senators to accomplish this.

But Johnson's resolution also provided that the Senate recognize it is a continuing body, with rules carried over from year to year.

Those who are fighting to change the rules are challenging this. They also are seeking to make it possible for 50 senators to cut off extended debate. Southern Democrats are opposing any change in the rules.

## Mikoyan

(Continued from Page One)

yan was asked by newsmen whether the Soviet Union had altered its Berlin policy in any way. "Why change it?" he fired back. "One does not change a good position."

Booked to travel with Mikoyan today were his 29-year-old son, Sergio, Soviet Ambassador Mikhail Menshikov, and five aides who arrived with Mikoyan from Moscow Sunday. State Department security agents are assigned to the party for personal protection.

The Mikoyan entourage goes to Detroit Thursday, Chicago on Friday, San Francisco on Saturday, and Los Angeles on Sunday and Monday. It returns East next Tuesday, going first to New York and possibly thereafter to Boston and Philadelphia.

After the conference with Nixon, Mikoyan dodged a direct reply when reporters wanted to know if he had invited Nixon to Moscow. He said instead that he was being well received here and he was sure the same courtesies would be shown American officials who visit Russia.

## Salineville

Mrs. Bella Carter of West End was hostess to the Buds and Blossoms Flower Club Monday night when spring projects were discussed. Mrs. Edna Hertel, president, was in charge. Lunch was served. Mrs. Don Brown of West End will entertain in February.

Atty. and Mrs. Warren Bettis of E. Main St. held a dinner Monday night for Mayor Karl Lindner and village officials and Mayor Howard Hart and officials of Hanover.

Kent State University students who returned Sunday after the holiday vacation were Miss Kaye Lindner, Miss Sue Leek, Miss Betty Davis, Miss Patricia D'Angelo, Miss Loretta Young, Jerry Strabley and Robert Thomas.

Mr. and Mrs. F. A. Strabley of W. Main St. held a dinner Sunday in honor of the birthday of Miss Betty Davis. Guests included Mr. and Mrs. Kenneth Everett of Lisbon, Mr. and Mrs. Robert Carter and family of Summitville, and Judge and Mrs. Louis Tobin and family and Mrs. Elizabeth Owens of East Liverpool.

Seaman Charles Robert McCloskey, son of Mr. and Mrs. Charles McCloskey of E. Main St., returned Sunday to Bainbridge (Md.) Naval Training Station after a weekend visit with his parents. Seaman Ronald Thomas McCloskey, a brother, left Friday for the Philadelphia Navy Yard, having re-enlisted Dec. 9 after four years of service.

Mr. and Mrs. William Brown and daughter of Columbus returned Saturday after a visit with his parents, Mr. and Mrs. William Brown, of Jefferson St.

Miss Joy Louise Lewis of North St. is ill.

## Jailor's Car Stolen

Dial your ad by 5:30 p. m. for the next day's paper. Reach these buyers right away while they are still interested.

## Weirton Man Elected Hancock Court Head

Dave N. Thomas of Weirton was elected president of Hancock County Court when the three commissioners met to reorganize for 1959 Tuesday afternoon in the Court-house in New Cumberland.

Thomas succeeds William C. Graham of Chester as president. Lyle Virden — the third commissioner — was appointed purchasing agent. Norman Ferrari Jr. of Weirton was appointed commissioner of accounts.

Commissioners awarded Jack Evans of New Cumberland a contract for minor repairs at the County Agricultural Office amounting to \$44. It was agreed that meeting dates in 1959 would be the first Tuesday of April, August and December, and the first Mondays on the other months.

## 80 Register To Give Blood At Lisbon Friday

LISBON — Only 80 area residents have registered to give blood when the Red Cross bloodmobile visits here Friday from 10 a. m. to 4 p. m. at the First Presbyterian Church.

Any person wishing to give blood may call Mrs. Ed Kauffman, HA. 4-5978. She is in charge of recruiting donors. Some 180 prospective donors are needed to assure the quota of 125 pints.

Lisbon went over the top in 1956 but has failed to reach the quotas in the following trips about every six months.

The blood goes into the blood bank at Salem City and Central Clinics and is available to patients from this vicinity.

## Hancock Reports 142 Auto Mishaps In '58

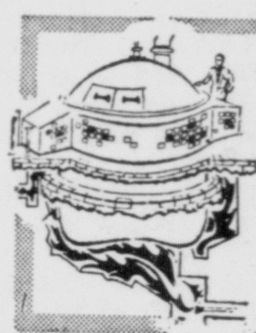

Hancock County sheriff's deputies investigated a total of 142 auto accidents during 1958, with property damage estimated at \$87,412.

Two highway fatalities were recorded last year.

Sheriff Clayton Hobbs' report commended his staff for their work in directing the heavy traffic at Waterford Park Race Track during the meetings and for keeping traffic moving over re-routed Rt. 66 while the road was being improved.

**Little Things May Trigger Changes In Our Weather**

By ALTON BLAKESLEE  
Associated Press Science Writer  
NEW YORK (AP) — The trouble with our weather could be that it behaves too much like people. Little things often make humans blow their stacks. And suspicions are mounting that little things may set off vast storms, droughts, floods, or changes in our climate.

The triggers could be flares on the sun, a hail of meteors, strange kinds of radiation, or other events. Discovery of such triggers — if they exist — could well be one of the fantastic rewards from the worldwide studies of the International Geophysical Year.

The earth has been wheeling around for millions of years. By this time, you might expect it to have worn down or become pretty stable weatherwise, says John Townsend of the National Aeronautical and Space Agency.

Our sun is very constant and steady in its output of heat and visible light. But the sun does vary in its outbursts of X-rays and radiations from flares. Could these be triggers for mechanisms high in the atmosphere, which in turn affect surface weather?

Astronomer Walter Orr Roberts of Boulder, Colo., is checking a theory that great electrical "winds" from solar flares influence a vital weather factory in Alaska.

Some flares could deepen weather troughs or lows so they sweep farther south than usual, bringing rain or snow to Texas rather than the Dakotas. Absence of flares — as the sun now is quieting down in its cycle — could mean severe droughts in the U.S. Southwest in 10 years or so.

Whatever the merit of such ideas, IGY is certain to produce far keener and more basic understanding of the why and how of our weather. That means better forecasts, perhaps methods of eventual weather control.

Scientists discovered Antarctica contains nearly half again as much ice as first suspected — ice averages about 1½ miles thick over the region's six million square miles.

Were it all suddenly to melt, seas would rise 300 feet or more, in disastrous floods.

Soviet weathermen at a station in the Antarctic highlands measured a record low temperature of 124 degrees below zero. But temperatures on any given day can vary 80 to 90 degrees between South Pole and coastal stations — a range as great as that between Miami and Bismarck, N.D.

Signs were found that Antarctica is warming up, at least in places. Little America is about five degrees warmer now on the average than in 1912, reports Dr. Harry Wexler of the U.S. Weather Bureau.

Arctic studies find there is less ice in that region than half a century ago, but that the arctic is being bathed with far more snow than Antarctica now.

Ocean currents shuttle vast amounts of the earth's heat from place to place.

Seagoing scientists discovered three vital counter-currents flowing deep under the Gulf Stream, under the Pacific Equatorial Current, and another north of the Equator. They influence not only weather, but the precious marine life reserves of the oceans.

Floating on a flimsy ice floe and ice island, daring scientists discovered a new mountain range rising from the Arctic Ocean floor, a high plateau with steep drops, and mountain peaks as jagged as the Rockies, took photographs of puzzling tracks made on the ocean bottom by some strange sea life.

Sea topography can channel currents, and in the arctic — where the Russians have long concentrated scientific studies — could also be essential for future submarine voyages under the ice cover.

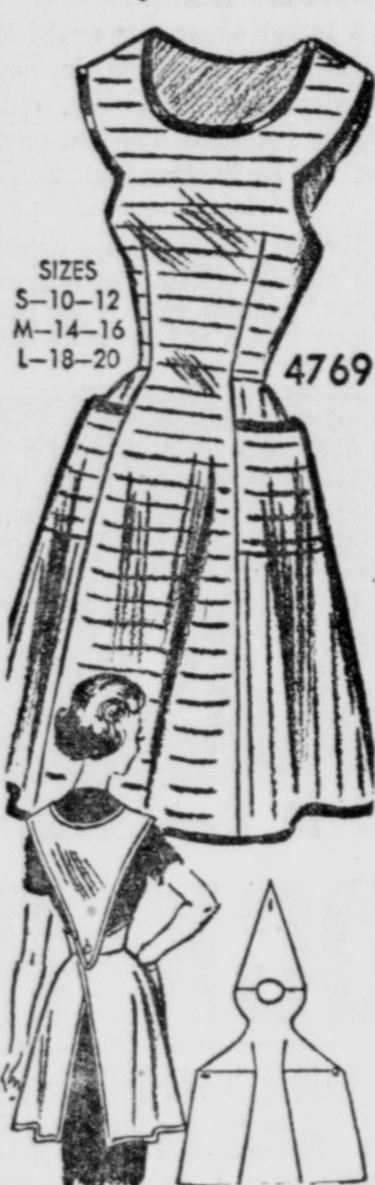

And IGY brought a fabulous prospector's strike.

In the southeast Pacific, oceanographers discovered a vast area of sea bottom is covered with a sludge of manganese, iron, cobalt and copper — worth perhaps half a million dollars per square mile. It appears economically feasible to bring it up.

Tomorrow: Earth's medical checkup.

To scald milk, allow to stand over low heat until tiny bubbles appear around the edge.

**Rotary Member Discusses Trip To England And Europe**

Highlights of a trip to England and Western Europe were presented by Dr. C. M. Mayberry at Tuesday's luncheon meeting of the Rotary Club in the Travelers Hotel.

Dr. and Mrs. Mayberry made the trip last October and November and toured England, France, Spain and other Mediterranean areas.

They left here by plane Oct. 4 and motored through many Western Europe villages before returning Dec. 1.

Dr. Mayberry said he found Europeans very friendly and cooperative although most think of Americans as "very rich people."

Dr. Mayberry visited one of London's many Rotary Clubs and presented the group with the flag of the city club designed by Don Schreckengost.

While in London, he was a spectator at a manslaughter trial of a woman in famous Old Bailey Court. The presiding judge and the attorneys were attired in wigs and long, flowing robes.

Dr. and Mrs. Mayberry asked the American Embassy in London for passes to the opening session of Parliament but were told only American officials were permitted. However, they viewed a royal procession prior to Parliament's opening.

They crossed the English Channel into Western France and visited the famous World War II battlefields of Omaha and Utah beaches and Normandy.

One of the most interesting stops in France, Dr. Mayberry said, was in Bayeux where they viewed the Queen Matilda Tapestry, 225 feet long, which depicts the invasion of England by William the Conqueror.

From Bayeux and the Normandy area, the trip fanned out across the farmlands of France to the mountainous areas with its picturesque chateaus.

He discussed briefly conditions in many French villages and communities which he observed on nightly stopovers.

From Eastern France, the couple journeyed south into Spain where they found a "donkey economy." He explained the Spanish in many parts of the peninsula depend on the donkey exclusively for transportation and in hauling their products.

Other spots in Spain visited included Barcelona, Granada and Seville. In Granada, they saw the Alhambra palace and gypsy camps. Majorca, an island of Spain in the Mediterranean, was one of the most interesting stops, he said. They also stayed three days on Gibraltar.

Dr. Mayberry was introduced by Dean Wilhelm, president. Guests were present from Toronto, Canada, and Rochester.

If you have a favorite baking pan that is an odd shape or size, find out how much it holds so that you can judge whether it fits the recipe to be used.

**Chester Band Mothers To Buy 2 Instruments**

The purchase of two musical instruments was authorized by the Purple and Gold Band Mothers at a meeting Monday night at Chester High School.

John Clovis, band director, was authorized to buy two bass clarinets and a baritone saxophone stand at a total cost of \$500.

Clovis was also instructed to reserve the Toronto Band Fathers Camp Aug. 9-15 for the annual Chester High School band camp.

Mrs. Robert Burch reported \$50 was netted from the sale of fruit cakes over the holiday season. Plans were discussed for the annual birthday calendar sale to begin in March.

Mrs. Alton Johnson, president, was in charge. The group will meet Feb. 2.

## Red Chinese Rip Isles In Heavy Firing

TAIPEI (AP) — The Chinese Communists pounded the Quemoy Islands today with their heaviest fire in two months.

The Nationalist Defense Ministry reported more than 12,000 Red shells landed on the offshore islands between 2 and 4 p.m. and said the bombardment was continuing without a letup in intensity.

The Ministry said the Nationalist guns fire back vigorously, but the volume of counterfire was not announced.

It was the heaviest Communist

firing since Nov. 3 when 39,162 shells were fired during an 18-hour period. And the rate of fire this afternoon virtually equaled the hardest shelling on Nov. 3, some 36,000 shells in 6 hours.

The heavy Communist bombardment was expected. The Reds had charged the Nationalists with shelling a commune nursery on the mainland Saturday and threatened a severe attack in reprisal. The Nationalists denounced the charge as a barefaced lie and said the Communists had made it as a pretext for resuming intensive shelling of Quemoy.

### Women May Attend Lectures On Securities

The series of lectures on the stock market planned by the Prospectors' Club is open to women who register and pay the \$5 fee, according to Dr. F. D. Irwin, chairman.

The club, formed by local businessmen to make a study of stock market operations, will present Dr. L. A. Shattuck Jr., professor of finance at the University of Pittsburgh. The first lecture on "Securities and Securities Markets" will be held Monday night at 7:30 in Westgate School. Others will be Feb. 2, March 2 and April 6.

Women desiring to enroll should write P. O. Box 389.

## Palestine Lists Small Fire Loss

EAST PALESTINE — One of the smallest city fire losses on record was reported for 1958 by Fire Chief Glenn Libert today.

Libert said the loss within the city totaled only \$1,925, compared to \$17,450 in 1957 and around \$150,000 in 1956.

The chief said the fires battled by the department outside the city limits resulted in a loss of \$50,500. Of this total \$50,000 was the loss at the November blaze at the Las Vegas night club along Route 14.

A total of 38 fire calls was answered — 27 by the department, and 11 by the chief alone. The department alarms included 12 out-of-town and 15 inside the city.

There were 218 first aid calls answered. Total cost of the department wages was \$4,491, including \$3,090 for the chief's salary. Insurance companies paid \$1,600 for out-of-town calls, thus the actual cost in wages to the city was only \$2,891 the chief said.

### 4-H Club Entertains For Grandview PTA

About 15 members of the Cherokee 4-H Club presented a program of demonstrations and projects at a meeting of the Grandview Parent-Teacher Association Tuesday night at the school near Chester.

Mrs. William Schladen was director of the group. Revisions of the by-laws were approved and are to be submitted to the state headquarters. The purchase of a large rural mailbox for the school was authorized.

Plans were made to attend the Hancock County PTA Council meeting Jan. 29 at Cove School, Weirton. The attendance banner was won by the fourth and fifth grades taught by C. B. Smith, principal.

Albert Shroades, president, was in charge. Refreshments were served by Mrs. Donald Brown and committee. The next meeting will be Feb. 3.

## Glenmoor Legion Sets Bucket Of Dimes Drive

Plans for the annual effort to aid the March of Dimes campaign were made Tuesday night when Glenmoor American Legion Post 736 met in the post home.

The post named Robert Buckley chairman of the "Bucket of Dimes" drive, which will be staged Saturday, Jan. 17, at the intersection of State Route 267 and the Y. & O. Rd. Legionnaires will halt motor-

ists and ask them to drop contributions into buckets.

A turkey dinner was served by William Stowers, second vice commander. Sam Stepanovich, commander, presided. The next meeting will be Tuesday, Jan. 20.

The Navy's newest heavy weight, the aircraft carrier USS Independence, contains more than 1,500 compartments and has more than 2,300 telephones.

## Hammondsville

Mrs. Evelyn Russell and Mrs. Sherman Newlin have returned from a vacation in Florida. While there, they visited with Mr. and Mrs. Ralph Mathess of Sanford, former Hammondsville residents. Mr. and Mrs. Charles Leedy have returned to Akron after spending the holidays with their parents and grandparents, Mr. and Mrs. Kenneth Leedy and Mr. and Mrs. Ernest Rose. Charles

Leedy is a student at Kent State University.

Among college students who have resumed their studies following the holidays here are Gary Burgett, Muskingum, son of Mr. and Mrs. Kenneth Burgett; Julius Chetock, Cincinnati, son of Mr. and Mrs. Steve Chetock; Kay Baxter, Kent State, son of Mr. and Mrs. Floyd Baxter; Betty Ann Armor, Kent State, daughter of Mrs. Ruth Armor; Becky Paisley, Muskingum, and Robert Paisley, Oberlin,

children of Mr. and Mrs. J. O. Paisley.

## Ordered Committed

DAYTON, Ohio (AP) — Mrs. Freda Cooper, 40, charged with first degree murder in the death of her 14-year-old daughter, has been ruled insane and ordered committed to Lima State Hospital until her sanity is restored. Phoebe Forcht, the woman's daughter by a former marriage, was shot to death Nov. 12.

## DiSalle Picks Collins To Make Survey Of Mental Hospitals

COLUMBUS, Ohio (AP) — Gov. elect Michael V. DiSalle today appointed Jay W. Collins of Euclid to make a survey of the state's mental hospital system.

Collins, an experienced hospital administrator, agreed to make the survey to see what is needed to improve the care of Ohio's wards, DiSalle said.

DiSalle said the 41-year-old Collins will head the team which will

go into the 25 state mental hospitals. The survey will take about 90 days.

Collins is executive director of the Euclid - Glenville Hospital, a post he has held since 1947.

The board of trustees of the hospital agreed Tuesday night to "loan" Collins to the state. Collins said he will study the policies, programs and physical plants of the mental hospitals. Then he will develop recommendations which will assist the state in planning immediate improvement in the care of mental patients.

He also will study long-term progressive policies and financial needs.

He will get together a team of specialists to assist him in the survey of the quality of care given the patients. The team will include nurses, dietitians and engineers.

"The Ohio Hospital Assn. already has offered its assistance, and it has been accepted," Collins said. "The governor said there is no place for politics in the mental hospital system. He wants a system second to none."

**6 Of Dormitory Fire Victims Identified**

SYRACUSE, N.Y. (AP) — The Air Force has identified six of seven Air Force students who perished Tuesday when wind-tossed flames made an inferno of a barracks-type dormitory at Syracuse University.

The Air Force said it had not identified the seventh dead man. However, it listed as missing Staff Sgt. Thomas P. Merfeld, 28, father of two whose wife Donna Marie lives at Lacrosse, Wis.

Listed as dead were: Airman 1.C. Billy D. Marlow, 29, of Converse, Tex.; Airman 3.C. Michael E. Gasparri, 19, of Yonkers; Airman 3.C. Edward E. Duggan, 23, of Manning, S.C.; Airman 3.C. Joseph E. Stoll Jr., 18, of Norwalk, Ohio; Airman 3.C. Remus A. Tidwell, 18, of Oemonta, Ala.; Airman 3.C. Frederick M. Browning, 21, of Enfield, N.C.

## Worker Trapped Over 12 Hours In Cesspool Rescued

BAKERSFIELD, Calif. (AP) — A workman trapped for more than 12 hours at the bottom of a collapsed cesspool was rescued today.

A heavy crane finally jerked loose a metal casing pinning Leslie O. Stafford's foot at the bottom of the 24-foot hole and he pulled himself free.

Stafford, who up until then had spent eight agonizing hours trying to free himself, was rushed to a hospital. His rescuers said he appeared to be in excellent condition.

Because of the close quarters and the danger of shifting sand, no one could reach Stafford's foot. He had to do the work of freeing his foot alone.

He banged away with a chisel, broke blade after blade on a power saw, and tried unsuccessfully to move the casing with a powerful jack.

Finally a crane was backed in to position and a hook lowered. Stafford fastened the hook to the metal and the crane hoisted it far enough for him to pull his foot out.

A doctor had been lowered into the shaft to give him sedatives, and he had been fed hot soup.

As the 40-year-old workman rode to the surface on a bucket seat hauled by the crane a mighty cheer went up from the rescue workers and spectators.

## Chester Kiwanis Holds Installation

The building of individual responsibility was discussed by John Queen of Wellsburg, Kiwanis lieutenant governor of the 1st District, during installation of officers by the Chester Kiwanis Club Tuesday night at the City Hall auditorium.

R. M. McFarland, president, took office, along with Alvin (Pete) Arner, first vice president; Alvin Fineman, second vice president, and Raymond Stevens, secretary - treasurer.

Harry Ossman and Harvey Werkheiser were named an auditing committee. Guests were Mrs. McFarland, Mrs. Queen and Mayor Burton Ward.

## Congregational Meeting Set At Midland Church

The Rev. George H. Bohlender of the Presbyterian Church at Midland said the annual congregational meeting for election of officers will be held Jan. 21 in the social rooms after a covered dinner at 6:30.

Reports will be made by the various organizations. The Board of Trustees will meet in the social rooms at 7:30 p. m. Jan. 14.

Meetings of four groups scheduled tonight have been postponed. The Men's Club will meet Feb. 4 and the Pathfinders, Pioneers and Little Light Bearers will meet at a later date.

## Meeting Needed To Amend Law On Utility Increases

COLUMBUS, Ohio (AP) — One more meeting will be needed to smooth out some rough ideas on amending a state law affecting utility rate increases.

Ferd Pickens, Columbus utilities director, said the proposed amendment "unquestionably" will be completed after the next session of the Ohio Municipal League's special subcommittee on utility legislation.

The subcommittee, of which Pickens is a member, is composed of officials from five Ohio cities. Their meeting Monday was the second attempt to draw up a revision to the law that sets the formula which utilities must use to compute a rate base.

The rate base is the value of a utility's property. The law allows a utility a fair rate of return on its property valuation. Thus, if the valuation goes up, a utility can seek a rate hike.

The subcommittee plans to submit the revised law to the Legislature. If passed, said Pickens, it would have no effect on present rates but would tend to keep increases at a minimum.

## Health Aide Returned

EAST PALESTINE — Dr. A. M. Baldwin was today re-appointed to the city Board of Health by Mayor Paul Merwin. Dr. Baldwin has been on the board for 12 years.

## Rabbit Hunters Settle For Snake Out In Cold

Three district hunters didn't get any rabbits but one of the party killed a snake over the weekend on a farm near Millport.

Robert Rolley of W. 4th St. shot the snake, which was crawling on the snow. He said it was about 42 inches long, yellow and brown in color with stripes along the sides.

Rolley was hunting with Robert Crook and Harry Snyder, both of Clark Ave., Wellsville. They reported the incident to a farmer, who said he had never seen a snake out in the middle of the winter. Maybe it decided to go to Florida.

## Public Evangelistic Series Set At Chester

The Rev. Jim Tomb will speak at a series of public evangelistic services at the Chester Free Methodist Church Friday, Saturday and Sunday nights at 7:30.

Rev. Tomb of Kittanning, youngest son of a Free Methodist Church minister, joined the Pittsburgh Conference of the denomination in 1951, serving as pastor until 1957 when he turned to fulltime evangelism.

The Rev. A. D. McGaffick, host pastor, is in charge.

## Ohio 5-Day Forecast

Temperatures will average near normal. Normal high 35 north, 41 south. Normal low 20 north, 24 south. Only small daily temperature changes. Occasional snow flurries or drizzle throughout period.

## Out Of The Air

By JOHN CROSBY

### Another Girl In The River

Pierre Boule, the man who wrote "Bridge on the River Kwai," is a man intrigued by irony. The final spoken line of "Kwai" — "Madness! Madness!" — underscores the whole story and bitterly mocks all warfare.

The final scene of "Face of a Hero," which he also wrote and which was emotionally less satisfying if not downright disturbing.

In many ways the Boule story, which was dramatized by Robert Joseph, starts out as a classic tragedy. David Poole, a brilliant young prosecuting attorney, demands perfection of himself and his subordinates.

ONE DAY he sees a girl fall into a swift river and, in a paralysis of fear, doesn't rescue her.

Now for the irony. The young prosecuting attorney has so imbued the police force and his own staff with his crusading zeal that they build up a formidable case of murder against a ne'er-do-well son of the town's richest and most powerful citizen.

Poole, played with great authority and economy by Jack Lemmon, hesitates to prosecute because he knows darned well the kid isn't guilty. The hesitation is construed as cowardice in the face of the boy's rich and powerful father who has made another prosecutor back away from prosecuting his no-good son.

And, of course, Poole can't reveal that he knows the kid isn't guilty without revealing his own cowardice. So he prosecutes brilliantly and asks for a first-degree murder conviction and the death penalty and, as the story ends, is widely acclaimed as a hero of great guts, which he quite clearly isn't.

I'M AFRAID Albert Camus' "The Fall" jumps almost unavoidably to mind. In "The Fall," another girl jumped (rather than fell) into another river (the Seine), and another lawyer didn't pull her out.

In Camus' infinitely greater and more subtle and more powerful work, the lawyer's hesitation (if I read Camus correctly, and I'm not at all sure that I do) stems not from cowardice so much as simple indifference. It's just too much trouble. The water's not dangerous but it's cold and it's wet and why bother?

In both cases the girl in the water acts as a tremendous and not at all edifying shock of self-recognition. But in Camus' story, the lawyer is discovered in a waterfront saloon in Amsterdam (which bears a remarkable resemblance to Hell) in what appears to be expiation.

Boule's lawyer, on the other hand, ends up having his peridy acclaimed as courage.

I don't want to labor the comparison but it seems morally wrong and esthetically unfinished.

DESPITE THESE carping complaints, "Face of a Hero" stood out boldly in this dramatically barren season.

For one thing, Robert Joseph, the adapter, kept the strings drawn very tightly on his narrative, constantly holding you on edge. For another, there was a mighty interesting succession of characters — the anguished father of the dead girl, the austere police chief, the alcoholic wife of the prosecutor, the former college professor who teaches the highest integrity but counsels expediency when the chips are down.

Also some profoundly disturbing and important issues of morality are raised by this drama. They're raised but they're not really settled — although perhaps that's asking a bit too much.

Some of the writing was a little ordinary, a little obvious. But there were some powerful scenes — two of them in the rain, illustrating again the blessings of videotape — and some excellent acting by a fine cast which included Henry Hall, James Gregory, Tip Törn and Ann Meacham.

John Frankenheimer's direction was clean and compelling and, in its use of closeups, very powerful story-telling.

Now, if someone would just tell me why girls in rivers are so dreadfully attractive to French novelists . . .

### TONIGHT

7:30, KDKA, Pursuit: A police detective is suspended from the force after he is discovered at a murder scene.

8, WSTV, All-Star Jazz: Jackie Gleason is host on "The Golden Age of Jazz," a program with many stars.

8:30, WTAE, WEWS, Ozzie and Harriet: A little boy and his small sister stow away in Ozzie's car.

9, WJAC, WTRF, WUC, Milton Berle: Tallulah Bankhead is a guest.

9:30, WJAC, WTRF, WUC, Bat Masterson: Another man uses Masterson's name and is a sheriff of a town called Trinidad.

10, KDKA, Circle Theater: An American journalist tries to overcome in 12 days the obstacles of adopting a baby in Greece.

10, WTAE, WEWS, WSTV, Boxing: Bobby Boyd and Holly Mims, middleweights, in 10 rounds at Chicago.

10:30, WUC, Target: A drifter becomes involved with a pretty girl, money and murder.

Strike Shuts Plant  
WARREN, Ohio (AP)—A strike by 56 hourly-rated employees has shut down the Beaver Pipe Tools, Inc., plant here. Pickets of Local 78, International Electrical Workers Union, ringed the plant Tuesday in a wage dispute.

## \$13,410 Loss To Fire Listed At Wellsville

### Fire Chief's Report To Council Shows 85 Alarms Answered

Wellsville's total fire loss during 1958 showed an increase of \$1,260 over the 1957 figure, according to the annual report submitted to City Council Tuesday night by Fire Chief Robert Lewis.

The loss the past year was \$13,410. The 1957 loss was \$12,150. The loss to buildings was \$9,110 and to contents \$4,300. The value of property endangered was \$112,850 with insurance amounting to \$110,130. The value of property saved was \$103,740.

The value of contents endangered was \$64,000 with insurance amounting to \$50,300. The contents saved totaled \$59,700.

Of the total loss, \$12,000 was covered by insurance with \$1,410 uninsured.

A total of 85 calls were answered by the department. Twenty-two were calls with loss, 12 without loss and 51 emergency calls. Six were made by pull box, 3 by radio, 7 by persons and 69 by phone.

There were 30 in dwellings, 13 autos and trucks, 9 mercantile, 7 grass, 6 garages, 4 alarm boxes, 4 auto accidents, 2 each in apartments and manufacturing and 8 miscellaneous.

Thirty-nine were full alarm in which the siren is sounded for volunteers to answer, 19 were still alarms in which one or two men respond with the truck, and 27 investigations were made.

Electric appliances caused 9 fires; children, 8; chimneys, 6; fumes and gas, 6; auto carburetors, 6; electric wiring, 6; cigarettes and matches, 4; auto short circuits, 4; stoves and pipes, 3; pilot lights, 3; burning rubbish, 3; handling ashes, 2; gasoline, 2; miscellaneous, 12, and false alarms 7. Four were to flush streets.

Thirty-four of the blazes occurred between noon and 6 p.m., 24 between 6 p.m. and midnight, 11 between midnight and 6 a.m. and 16 from 6 a.m. to noon.

The number of runs per month was:

January, 4; February, 7; March, 12; April, 7; May, 9; June, 5; July, 9; August, 9; September, 4; October, 6; November, 4; and December, 9.

Chief Lewis reiterated his recommendation for adoption of a building code and the creation of a fire prevention fund.

He requested the fire chief's expense fund be changed to firemen's schooling fund in order to send men to school for formal fire training in new equipment. He asked the fund be enlarged to cover the entire expenditure.

Lewis also asked the garage at the rear of the station to be torn down or repaired and requested repairs to the stairs and window sashes of the station and that the interior walls be painted and new lighting fixtures installed.

Equipment needed includes a foam generator, two self-contained smoke masks, two transistor walkie-talkie radios, three fire coats, three pair of boots and 600 feet of 2 1/2-inch fire hose.

The report was referred to the finance and property committees.

### Midland Holy Name Society Elects Officers

The Holy Name Society of the Presentation Catholic Church at Midland elected officers for 1959 at a meeting Monday evening in the lyceum.

They are: Ray Stowitzky, president; Louis Ulizio, first vice president; Charles Smith, second vice president; Al Susie, treasurer; Paul McGeehan, secretary; Larry Cuccare, marshal, and Andy Sopko, delegate. Florentine Trevino is retiring president.

Fr. Robert P. Garland said the society planned a smoker for Jan. 25 to 26, open to prospective members and men of the parish.

## 21 Now Entered For Train Derby At YMCA Friday

Twenty-one have registered for the annual toy train derby at the YMCA Friday night at 7. The winner will be crowned "Casey Jones of 1959." The registration deadline is Friday at 5:30 p.m.

The boys will race the trains over two large ovals, with 16 sections each of wide-angle track in addition to the straight trackage.

Each boy will operate his engine with a large transformer. Keeping the engine on the track determines whether he wins or loses. Each match consists of three heats with a heat being three times around the track from a dead start.

If the engine jumps the track, the boy automatically loses the heat.

The event is open to the public and spectators will occupy the running track and one end side of the basketball floor.

Those who have registered include: Gary Garland, David English, William Brown, James Wolfe,

Roger Scott, Harold Neville, William Crooks, Robert Newtewick, Ralph Baxter, Robert Tolson, Jerry Canne, John Shrodes, Mike Shrodes, Donald Lyons, Kenneth Seibert, Robert Francis, Terry Scott, Dick Bryer, Tommy Reese, Jimmy Barnett and Bruce Wolfe.

## Dr. Salk Recommends 4th Polio Vaccine Shot

ANN ARBOR, Mich. (AP)—Dr. Jonas Salk, who developed the anti-polio vaccine that bears his name, has recommended a fourth shot to increase immunization against crippling infantile paralysis.

But Dr. Gordon Brown, a University of Michigan scientist, said that while a fourth dose undoubtedly would be beneficial to many "what is most needed is complete (three-shot) immunization of the larger number" who have as yet had no vaccine at all.

The president of the American Medical Assn., Dr. Gunnar Gunderson, declared "there is no time to lose" in the two-shot plus-booster campaign; that partial immunization is not enough and that doctors must see that the unimmunized, the indigent and the complacent are vaccinated.

## Supervisors Retain White

### Industry Board Also Returns Roadmaster

Ed White was returned as chairman of the Industry Township Board of Supervisors at the annual reorganization meeting Monday night.

Ross Strohm was re-elected roadmaster and Guy Lang will continue as secretary-treasurer.

The supervisors again designated the Beaver Trust Co. as depository for funds and Atty. John Sawyer of Beaver as counsel.

Hugh Graham was reappointed to the Zoning Board of Adjustment for three years and Charles Newcomb was named to the Water Authority, succeeding John Ketterer, who resigned.

The real estate tax was set at 4 1/2 mills, a drop from the 10 mills in effect last year. The drop was a result of reassessment in county real estate, which boosted the township valuation from \$1,113,025 to \$2,550,730.

The board also approved resolutions taking over Torcasso Way in the Torcasso plan and Allison and Upland Drives in the Ohio View Estates plan as township streets.

It received a letter from the regional office of the postal department, announcing that action on moving the post office from Industry to Beaver has been deferred pending investigation. The board had requested the investigation.

### Civil Defense Alert Planned At Glenmoor

A Civil Defense alert and practice run will be made Jan. 20 at 7 p.m. by members of the Fifth Platoon of the Glenmoor 31st Mobile Support Group of Civil Defense.

Fire, rescue, police and communications teams will take part. The mass feeding team will be in charge of refreshments. All members are to meet at the fire station at 7.

Plans for the alert were made during a meeting Tuesday night at the Glenmoor fire station with 25 present. Kenneth Long, platoon leader, presided.

The group also decided that its five units should meet once a month at the fire station.

### Faces Quiz On Dope

SANTA MONICA, Calif. (AP)—Actor Jay Robinson, who played the role of Emperor Caligula in "The Robe," must answer charges of possessing and selling narcotics. A fellow actor, Rod Lynn, testified at Robinson's preliminary hearing he made two purchases of narcotics with marked money in Robinson's home. Robinson is to appear Jan. 21 for arraignment.

## New Director Named For Palestine Bank

EAST PALESTINE — Dr. Donald E. Rose was elected a new director of the Union Commercial & Savings Bank at a stockholders' meeting Tuesday night at which Roy V. Beck was re-elected president. Dr. Rose replaces George Elick, who resigned last spring.

Others re-elected were J. R. Wilhelm, vice president; Richard

C. Mason, cashier, and Virgil R. Young, assistant cashier. Mrs. Frances Kibler was named to a new post of assistant secretary. Directors returned were Atty. J. E. Bauknecht, Beck, Donald Gillies, Paul Hankinson, E. H. McClure, K. E. Rukenbrod and Wilhelm.

When you are baking individual custards in a water bath, allow at least 40 minutes in a slow (325 degrees) oven.

## New wonder drug cosmetic restores young look to aging skin

You can look younger. The evidence is a matter of medical record — documented by doctors and research scientists, universities, hospitals, clinics. Helena Rubinstein's Ultra Feminine — the first and only wonder drug cosmetic containing both vital female hormones, estrogen and progesterone — actually restores productivity of oil glands and enables cells deep in the skin layers to hold maximum moisture once again! Take advantage of the introductory offer — one jar will convince you!

### INTRODUCTORY OFFER

Because Helena Rubinstein believes that Ultra Feminine is her greatest cosmetic achievement, she makes this introductory offer so that you may discover for yourself that you can look younger. One jar will convince you!

Committee To Investigate

## Merchants Launch Plans For 'End-Of-Month' Sales

The East Liverpool Merchants Association Tuesday named a five-man committee to draft plans for general "end-of-the-month" sales in 1959.

Headed by Richard A. Kerin, the committee includes George Mueller, Leslie Blumenthal, H. T. Powers and Wendell H. Vodrey. It was named at the monthly ELMA meeting yesterday morning in the Chamber of Commerce office.

The end-of-month sales — called EOM for short — will be added to the merchants' regular calendar of sales promotions. The committee was asked to draft a plan for presentation at the next meeting Feb. 3.

At present, the end-of-month sales are held by several merchants. Under the new plan, there would be a regular, general EOM sale on a specific date as an organization-wide promotion.

Another committee was appointed to investigate and draft a plan for reorganizing the association along new lines. It is comprised of Don Eckert, chairman, Paul Bloor,

Edwin Maloney, Thomas Phillips and George A. Shaw.

Eckert has called a meeting of his committee for Tuesday night at 7:30 in the Chamber office.

Under the present system adopted in early 1955, ELMA's membership is divided into 11 categories based on the type of business in which the individual is engaged. Each of the categories is represented on the Board of Directors by an elected representative.

ELMA said there has been some dissatisfaction with the system of representation because it has not worked out in practice as it did in theory. Under the former organization system, any member was eligible to attend meetings and express opinions, as the group had no Board of Directors. It was governed solely by its officers and the membership at large.

A report of the Christmas budget committee was presented yesterday by Vodrey. The report indicated a balance left in the fund from the last Christmas program will be set aside to help improve business district decorations for the next holiday season.

## United Presbyterian Women Install, Adopt New By-Laws

A new constitution and bylaws were adopted as women of the Presbyterian and United Presbyterian Churches of the Steubenville District completed the formation of the United Presbyterian Women under the merger of the two Presbyteries completed Monday at Steubenville.

Mrs. H. D. Chaney, second vice president, represented them for the merger. Mrs. William Peeler of Mingo Junction, chairman, presided.

Mrs. Walter Shreiner conducted devotions and Mrs. George Morrison sang "Whither Shall I Go from Thy Spirit."

The Rev. Gene Toot of Hopdale conducted candlelight installation services for the incoming officers. Mrs. Harold Neff of Dresden Ave. was pianist.

District women installed were: Mrs. Bray Toot, Dellroy, president; Mrs. J. H. Frischkorn, Wells-ville, vice president; Mrs. Robert Tanguy, Glenmoor, secretary of evangelism; Mrs. Donald Baxter, 1100 Pope Ave., secretary of Junior Hi; Mrs. Nelson Wright, 313 W. 4th St., literature secretary; Mrs. Leland Pittenger, 1203 Fairmont St., social education and action secretary; Mrs. Lee Myers, Calcutta, president, and Mrs. Allen Pepin, Cannons Mills Rd., secretary-treasurer of District 1.

Serving on the nominating com-

mittee were Mrs. Harold Dray, 1500 Etruria St., and Mrs. H. D. Chaney of Lisbon R. D. 3.

A gift was presented Mrs. G. C. McBane of W. 9th St. for her work as secretary of the merger committee.

Mrs. Leland Pittenger also was a member. Motions were passed to take sack lunches to the spring and fall meetings in order to enable smaller churches to have the meetings.

Announcement was made of the executive board meeting to be held in Richmond Jan. 29, starting at 10 a. m. The spring meeting for the Presbyterial will be held in April at the Second church in Steubenville.

first-quarter lead and remained well in front throughout, except for a brief moment near halftime.

Aided by a sagging Potter defense, the Red Riders polished off their fifth victim in a row and sixth of the season without too much effort.

**THE GAME** marked the first test for Coach John Karaffa's renovated team that flashed improvement in passing, but a rather lackadaisical attitude defensively.

Coupled with a poor five-point first quarter was a poorer four-point third quarter.

The Potters hit only 13 of 55 shots for 23 per cent.

Weirton, with Mike Tomosovich, 6-4, and Willie Tucker, 6-4, combining for 28 points, had a much better shooting night, posting 41 per cent.

Coach Jim Carey's Red Riders hit 22 of 53 shots. Most were from close range and the majority came easily as the result of a leaky East Liverpool defense.

Tucker, who topped Weirton's scoring with 15 points, was outstanding in all departments, while it was Tomosovich, a husky all-state football selection, that sparked Weirton to the big first-quarter lead.

**WHILE THE Potters** had trouble getting organized, they did give indications of better things to come with an 18-point outburst in the second quarter that carried them

to within seven points of deadlocking the score, 30-23.

For the Potters, junior Craig Burbick made his second varsity start of the year very successful and was the one bright spot in an otherwise dismal night.

Burbick hit for 17 points on six goals and five of seven fouls and it appears the 6-2 forward has hustled his way into the starting lineup for the rest of the season.

Ken Cunningham, whose scoring usually gives the Potters a much-needed lift, had one of his coldest nights in weeks, hitting only three field goals and a foul for seven points — his second lowest total of the season.

Inside scoring opportunities were few as Weirton's big boys threw up a ball-hawking defense.

The Potters fell far behind at the start as Weirton piled up a 20-5 lead with a hot first quarter in which the winners made 9 of 16 shots. East Liverpool made 2 of 13 in the first period, with Burbick getting them both.

**THE SECOND** period found the Potter offensive attack warming up slightly. With Burbick leading the way with nine points, they outscored Weirton 18 to 10 to narrow the halftime gap to only 7 points.

However, in the third period the Potters scored only one field goal — a set shot by Cunningham — and Burbick made two foul shots for a total of four points in eight minutes.

Meanwhile, Weirton was again boosting its lead by hitting 6 of 15. The Red Riders had a 16-point spread heading into the final quarter, 43-27.

The Blue and White closed with an 11-point quarter while holding Weirton to only seven with an accelerated defensive effort, but the lead proved too much to overcome.

The fourth period was a rough one, with several flare-ups between the players. Junior Bob Mackall and Tucker bumped heads under the basket in the waning moments, but neither was hurt seriously.

Ken Miller, another Potter sophomore who shows much promise, broke into the action late in the final period.

The defeat left the Potters with a 1-7 record to carry against undefeated Toronto (4-0) in their next game Friday night at Toronto.

**Varsity Game**  
EAST LIVERPOOL—38  
Burbick 6-5-17; Cunningham 3-1-27; Allen 2-2-6; Mackall 1-1-33; Clark 0-2-2; Beatty 0-1-11; Bigelow 1-0-2; Miller 0-0-0. Totals 13-12-18-38.

**Potter Reserves Bow To Weirton's Jayvees, 44-27**

The East Liverpool reserves also had a rough time with the scrappy Weirton reserves in the preliminary and bowed to the West Virginia five, 44-27.

Coach Frank Chan's Potters trailed from the outset as the taller Weirton jayvees vaulted into a 12-7 first quarter lead and scored consistently in succeeding periods to wrap up the victory.

The Potter reserves, like the varsity, also had two bad quarters of action, hitting only four points in the second period and only five in the fourth.

Weirton had pulled away at the end of three periods, 32-22, and won by 14 points, operating behind a pressing defense.

Sophomore Ken Miller topped the scoring for the Potter reserves with five goals and two foul shots for 12 points. Chan's charges had a better night at the foul line by connecting on nine of 13, but made six less field goals.

Weirton hit 14 of 29 at the foul line. Thompson and Gregory each scored 10 points, high men for the winning squad.

**Reserve Game**

### Lightweights Tell Story

## Potter Grapplers Lose First To Weirton, 22-19

A Weirton squad, showing strength in the lighter weights, threw the East Liverpool wrestling squad for its first loss in four outings, 22-19, Tuesday afternoon at Memorial Auditorium.

The visitors swept the opening five matches and held a 19-0 lead before Bob Springer could break the string by decisioning Weirton's Varner in the 140-pound match and pick up three points for the Potters.

Weirton took six of the 11 matches but the Potters showed up strong again in the heavier weights, with Bill O'Neil and John McKinnon remaining undefeated.

O'Neil chalked up his fourth straight pin when he floored Swiger in 4:25 of the 177-pound bout.

McKinnon, East Liverpool's heavyweight, kept his record clean by picking up an 8-6 decision over Cottilli.

John Goodballet recorded a fall for the Potters when the sophomore grappler threw Childers in 2:58. This made Goodballet's third

straight win after dropping his opening match.

East Liverpool's other points were picked up by Jim Bise who edged Burns, 6-5, in the 167-pound tussle.

East Liverpool's Nick Musuraca was knocked from the undefeated ranks when Sutton came out on top with a 7-6 decision in the 156-pound match.

Coach Lou Venditti's lightweights failed to win a match from the 105-pound division to the 135-pound class.

John Goeple lost a 6-2 decision to Virtue in the 105-pound battle while Ritchie recorded the fastest pin of the match by flooring Don Bouscher in 1:58 of the 114-pound match.

Weirton's Billcheek followed by pinning Skip Northrup in 4:15 in the 122-pound contest.

Harold Waulderhauf, East Liverpool's 129-pounder, dropped a 7-2 decision to Bruno and in the 135-pound match Greenleaf decided Reed, 4-0.

The Potters will attempt to get back on the win trail when they meet Springfield Township Saturday at 7 p. m. at the Jefferson County school.

The results follow:  
103 — Virtue (W) decisioned Goeple (EL), 6-2.  
114 — Ritchie (W) pinned Bouscher (EL), 1:58.  
122 — Billcheek (W) pinned Northrup (EL), 4:15.  
129 — Bruno (W) decisioned Waulderhauf (EL), 7-2.  
135 — Greenleaf (W) decisioned Reed (EL), 4-0.  
140 — Springer (EL) decisioned Varner (W), 5-0.  
147 — Goodballet (EL) pinned Childers (W), 2:58.  
156 — Sutton (W) decisioned Musuraca (EL), 7-6.  
167 — Bise (EL) decisioned Burns (W), 6-5.  
177 — O'Neil (EL) pinned Swiger (W), 4:25.  
Heavyweight — McKinnon (EL) decisioned Cottilli (W), 8-6.

### Salineville Drubs Augusta, 64-33, For Second Win

Salineville High School finally got back on the winning track after three straight losses by rolling over Augusta, 64-33, Tuesday night on the Augusta court.

The victory was Salineville's second in seven starts as the Indians had previously beaten Newell.

Salineville trailed but briefly in the game and led by 32 points after three quarters of play, 56-24.

Gearin dumped in 22 points for Salineville to take game scoring honors, while Larry Kessler chipped in with 11 and Ahlborn eight. Cargill's nine points were the

best effort for the losers. Salineville also captured the reserve preliminary, 31-20.

**SALINEVILLE—64**

## United Rolls Over Malvern By 59-39

Coach Bob Penrod's surprising United squad sent its winning streak soaring to eight straight games by conquering Malvern, 59-39, Tuesday night at Malvern.

The Golden Eagles experienced some trouble from the Malvern five for the first three quarters before turning the game into a rout in the final eight minutes.

Moving to a 12-6 edge at the first quarter post, United grabbed a 28-21 margin at halftime and lead 40-31 at the end of the third period.

A 19-point barrage in the fourth stanza iced the verdict for the undefeated Golden Eagles.

Leading last night's attack was Jim Summer who blazed the nets for 22 markers. Gary Lindesmith contributed 14 while Blanchard chipped in with 11.

Romano scored 10 markers for the losers.

United also took the reserve contest with a 37-27 verdict.

**UNITED—59**  
Lindesmith 7-0-14; Marks 2-0-4; Pike 2-0-4; Shagnot 0-1-1; Gorka 1-1-3; Summer 10-2-2; Blanchard 5-1-11. Totals 27-7-59.  
**MALVERN—39**  
Romano 2-0-10; Sarbach 2-2-8; Andrews 3-2-8; Leggett 1-2-4; Gause 1-1-7; Moultry 1-0-2. Totals 11-17-39.

**MALVERN** 6 21 31 39  
Officials — Miller and Cromi.

### Cumberland Rips Cameron

New Cumberland's Raiders, one of the district's smallest quintets, whipped up a 31-field goal attack to smother visiting Cameron, 80-45, Tuesday night on the New Cumberland boards.

The victory was the season's second for Coach Charlie Miller's Raiders and snapped a two-game losing streak.

Two of New Cumberland's cagers outscored the entire Cameron team as Phil Cullen dumped in 20 and Mickey Pierce hit for 29. Brown's 17 points was the top effort for the losers. New Cumberland also won the reserve preliminary.

**NEW CUMBERLAND—80**  
Cullen 9-2-20; Hayes 0-3-3; Freshour 3-3-9; Foreman 2-0-4; M. Pierce 14-1-29; Huff 1-0-2; Dawson 0-3-3; J. Pierce 2-5-9; Harris 0-1-1. Totals 31-16-80.  
**CAMERON—45**

### Lisbon Edges Sebring Five

LISBON — Held to one field goal in the fourth quarter, Lisbon managed to squeeze by a dangerous Sebring quint, 55-52, here Tuesday night.

The victory put Lisbon at the .500 mark with two wins in four outings.

The score after three quarters periods of play in last night's strange encounter showed Lisbon on top 53-38.

Sebring limited the Blue Devils to only one field goal in the final period and that came in the last 22 seconds and gave Lisbon the narrow three-point margin of victory.

Bob Pike led Coach Jack Mills' Blue Devils with 23 markers while Chuck Faust tossed in 16.

Dorr was high for Sebring with 17.

The reserve game went to Sebring by a 44-41 count.

**LISBON—55**  
McLaughlin 1-0-2; Rudibaugh 2-2-6; Reese 1-0-2; Faust 4-1-16; Tanner 1-0-2; Pike 11-1-23; Thorne 2-0-4. Totals 24-7-55.  
**SEBRING—52**  
McAber 4-0-8; Flickinger 1-0-2; Dorr 8-1-17; Mort 1-2-5; Tuel 1-1-3; Baxter 3-0-10; Keller 3-1-7. Totals 23-6-52.

**SEBRING** 13 27 38 52  
Officials — Holzbaugh and Susor.

### South Siders Lose, 89-48

South Side High's Rams saw their three-game win streak shattered Tuesday night at McDonald by a 89-48 score.

Coach George Thompson's Rams fell far behind at the outset, 20-7, and at the end of three periods the high-powered McDonald five had the Rams buried, 70-34.

Richard Ashcroft and Quentin Schmidt teamed up for 28 of South Side's points, hitting 14 each. McKee topped the McDonald scoring with 25 points. The defeat left the Rams with a 6-5 season mark.

South Side also lost the reserve game, 65-38.

**McDONALD—89**  
McKee 8-7-25; Miller 2-2-6; Bastide 4-0-8; Smith 6-2-14; Hyser 6-3-15; Iglar 1-0-2; Henderson 3-0-6; Bugay 3-1-7; Tornabene 1-0-2; Rocher 1-0-2; Cooper 1-0-2. Totals 37-15-89.  
**SOUTH SIDE—48**  
Ashcroft 6-2-14; Kerr 0-1-1; Schmidt 4-6-14; Johnson 0-0-0; Frasier 1-1-3; Golden 4-0-8; Hobbs 1-0-2; Parsons 2-1-5; Graham 0-1-1. Totals 15-12-48.

### Ways To Avoid Tie Grid Games Will Be Studied

NEW ORLEANS (AP) — The nation's high schools and small colleges, considering adding to their rule books a professional rule, had authority today from the National Alliance Football Committee to experiment with methods of avoiding tie games.

The NAFC, governing body of high schools and small colleges, told their members to use either the pros' sudden death playoffs or any other method of their choice and report back to the NAFC.

Only one major rule change was made at the closing meeting Tuesday. Under the new rule, no penalty can move the ball more than half the distance to the offender's goal line.

The NAFC is made up of the National Federation of State High School Athletic Assns., representing 350 junior colleges; and the National Assn. of Intercollegiate Athletics, representing 450 smaller colleges.

# Chester Hands Newell 8th Loss; Midland Gains 64-51 Win

## Dave Brookes Drops In 28 For Panthers

By BOB DUFFY

Newell High continued down the road to one of its most dismal seasons in years by dropping its eighth straight game, a 65-47 decision to arch rival Chester, Tuesday night.

A sparse crowd of some 300 turned out at the Wells High gym to see Coach Max Tuttle's Panthers catch fire in the third and

## County Cage Officials To Meet Tonight At 7

The Columbiana County Basketball Officials Association will meet tonight at 7 at East Liverpool High School for a rules interpretation session. Wayne Rose of Wellsville, president, will preside.

fourth quarters after playing mediocre ball in the first half.

The young Newell quint gave Chester a battle for two periods and the winners left the floor at halftime with only a 27-21 margin.

Southpaw Dave Brookes, the key to Chester's offense, was held to a lone field goal and totaled only five points in the first half.

HOWEVER, it was the same Brookes who found his shooting eye in the second half and scorched the nets for 23 points to finish with a total of 28.

His driving layups in the second half broke the game wide open. Brookes carried the Panthers to a 46-28 lead at the end of three quarters after scoring 10 points. He closed out his point total with 13 in the final eight minutes.

His points came on nine field goals and 10 of 10 foul tosses. This was the top effort of the season for the senior star.

The victory was the sixth in seven games for the Panthers, who now turn their attentions to Friday night when they entertain Dan Baldwin and the Wellsville Bengals.

Meanwhile, Coach John Robinson's charges failed again to come up with a victory in the 1958-59 cage season. Newell, however, lists several promising freshmen, sophomores and juniors in its green ranks and should develop.

BOB STINE, junior pivot man, led the Vikings with 14 points, while Larry Hutton hit the cords for 12.

Bob McMahon, running mate to Brookes on the Chester five, dropped in 17 points.

Frank Kenny turned in a good performance in the rebounding department for the Panthers and tossed in nine points.

Final shooting percentages ran about the same, but Chester managed 23 more shots than Newell.

The Panthers attempted 63 shots and hit on 25 for 39 per cent, while Newell got 40 tries away and hit 15 for 37 per cent.

Newell outshouted Chester in the first quarter when a nip-and-tuck battle developed. The score was tied four times in the opening period.

The final tie came at 6-6. Brookes dropped in his lone bucket of the first half to give Chester an 8-6 edge and a lead which the Panthers never lost.

However, with Chester holding a 13-8 edge, Bob Shenton turned in a three-point play to bring Newell within two, 13-11, as the quarter ended.

BOB SHAFFER opened the second period with a long push shot and McMahon and Myers followed with goals to move the count up to 19-11.

A two-pointer by Kenny midway through the second quarter increased Chester's lead to 23-13. Stine added a bucket and Mick Staley followed with a foul for a 23-16 count.

After Kenny boosted the lead to nine points, 25-16, Newell went to work and shaved the margin to four. Staley dropped in a foul and Hutton hit on two free throws followed by Stine's layup.

The brief spurt made the score 25-21, before McMahon hit on a one-hander two seconds before the buzzer sounded to end the first half.

Chester looked like a new ball club in the second half as a fast break led by Brookes and McMahon broke Newell's back.

McMahon and Brookes hit on successive goals sandwiched by Shaffer's foul. Stine scored Newell's first two-point shot of the second half as the score read, 32-23.

Chester scored eight straight points to widen the gap and give the Panthers a chance to coast. The spurt came on two baskets and a pair of fouls by Brookes and a bucket by McMahon, making the score 40-23.

When the third quarter had ended Chester was sitting atop a 46-28 lead and managed to hold this 18-point advantage throughout the final period.

Chester swept a doubleheader

## Lake Scores 21 Points In Ninth Victory

Midland High's Leopards maintained their clean slate in WPIAL play Tuesday night by thundering over Rochester, 64-51, at the New Brighton gymnasium.

With rangy junior stand-out Gene Lake setting the pace, Coach George Hamilton's Leopards notched their second victory in Section 8 play.

Lake, turning in another outstanding job on the bankboards, pulled in 18 rebounds and topped all scorers for the game with eight goals and five of five free throws for 21 points.

Midland moved to a 16-10 first quarter lead, boosted the margin to 12 points at halftime, and led by 16 heading into the final stanza, 51-35.

Rochester staged a third-quarter rally to narrow the score to 38-31, but Midland pulled away to wrap up the ninth victory of the season against two tournament defeats to Farrell and Youngstown Chaney.

Frank Alois helped out in the Midland scoring with 12 points, while Tom Golpin hit for eight, and Nick Vuckovich and Steve Yetso seven each. Yetso also helped spark the defense with 16 rebounds to his credit.

The Leopards posted a 35 per cent shooting average by making 26 of 74 shots from the floor. Rochester hit 18 of 70 for 26 per cent.

Movie Smith, Midland's husky junior center, saw only brief action but scored three points. Smith was shelved for last week's entire game with a leg injury.

In the preliminary, the Midland reserves trounced Rochester's reserves, 47-26, with Jim Perkins hitting 12 points and Dave Bruno 10 for the Leopards.

MIDLAND-64  
Lake 8-5-21; Yetso 3-1-3-7; Golpin 4-0-8; Smith 1-1-2-3; Alois 5-2-3-12; Vuckovich 3-1-1-7; Anderson 2-0-1-4; Silverman 0-2-2-7. Totals 26-12-17-64.

## NCAA Opens 53rd Annual Parley Today

CINCINNATI, Ohio (AP) — The 53rd annual convention of the National Collegiate Athletic Assn., starts officially today. And it could open with a bang and screams of anguish if the Council finds any member schools guilty of NCAA code infractions.

The committee on infractions, headed by A. D. Kirwan of Kentucky, delivered its report to the Council Tuesday, but there was no indication of its findings. Investi-

### City League

Tonight  
Kennedy's vs. Humes  
Alex's vs. Local 5407  
Chester vs. Wheatley

gations are conducted in the utmost secrecy so that an innocent institution will not draw unwarranted publicity.

In a routine action, the Council is expected to remove the University of Southern California from probation, since the school has served out its probationary period.

The report of the NCAA television committee, which met in two days of preliminary sessions, was also expected today, but all indications are it will merely endorse the current program of restricted TV.

The number of national and regional telecasts may vary slightly from last year, but the "split-network device," an arrangement to satisfy NCAA regulations requiring at least one telecast to originate in each district, will probably be retained. Under this setup, two or more games are shown "nationally," but the network is split so that each area gets only one game.

The American Football Coaches Assn., swung into three days of intense meetings after making probably its biggest news Tuesday with the announcement of recommendations by the rules committee.

Lou Little, chairman of the rules committee, said these recommendations would be forwarded to the NCAA Football Rules Committee for action at a meeting starting in Los Angeles next Monday.

Return of the goal posts to the goal line.

Further liberalization of the substitution rule.

Retention of the present conversion rule.

A rule permitting one player to confer with his coach during a time out.

## Maryland's Fans Due Surprises Under New Coach

COLLEGE PARK, Md. (AP) — Whether Maryland football fortunes go up or down next fall, the fans are probably in for some surprises with Coach Tom Nugent at the helm.

The Florida State University head coach, who moves into the Maryland job Jan. 15, is an experimenter and a careful planner of plays. He led FSU to a 7-3 season last year, his sixth at Florida State.

He is eager to try his brand of football at the University of Maryland and Maryland officials are happy to have him.

Nugent's over-all coaching record, including four years at Virginia Military Institute and six at FSU is 53 wins, 45 losses and three ties.

## FIELD AND STREAM

By R. L. LIDE

Hunting, in general, is a thing of the past until next fall.

The migratory waterfowl season ended Jan. 1. It might well have ended the day after Thanksgiving when the snow arrived and all the ponds, marshes and lakes froze over.

An extended water fowl season might look good on paper, but it means very little in reality when an unseasonable winter sets in and the migrating birds keep going until they find open waters.

Rabbits may still be hunted on the Highlandtown area, Zepernick's Beaver Creek Park area and the state-owned Yellow Creek area. I would not advise anyone to seek pheasants on any of these areas, since they practically do not exist.

**THE EXTENDED** season on rabbits and pheasants on state-owned areas includes hunting through Jan. 15.

Birds have been released recently on the Berlin Reservoir area and you might yet bag your pheasant if you missed out in the early part of the season.

For some reason, pheasants did not stay on the Zepernick area, so the game management section has a problem to see what can be done on what apparently seems to be good cover and food and an improved area that should be attractive to these birds.

There will be further developments and a lot of head-scratching going on before the correct productive methods will be solved.

## Yanks' Series Victory Voted Comeback Of '58

By JACK HAND

The comeback of the year in 1958 was made by the New York Yankees on the green turf of Milwaukee's County Stadium where they won the World Series.

Trailing 3-1 after the fourth game, the Yanks scrambled back to win the fifth in New York and swept the last two in Milwaukee. Only the 1925 Pittsburgh Pirates ever had done this in the long history of best-of-seven World Series.

The nation's sports writers and sportscasters gave the Yanks a sizeable margin over the Pittsburgh Pirates in The Associated Press' annual year-end poll. The Louisiana State University football team was a distant third, closely pressed by Boston's Pete Runnels, who almost won the American League batting title, and Robin Roberts, who regained his pitching touch at Philadelphia.

Of the 207 writers participating in the poll, 65 put the Yanks first, 23 had them second and 20 more rated them third. The total of 253 points on a 3-2-1 basis compared to Pittsburgh's total of 159 points, including 31 firsts.

Milwaukee's 1957 Series triumph and the Yanks' woeful performance in the first four games of the '58 Series set up the comeback situation.

The job that earned Pittsburgh enough points to finish second was the Pirates' cellar-to-second rise in the National League under Manager Danny Murtaugh.

LSU drew recognition as a comeback team, as well as the team of the year, because the 1957 football team had managed only a 5-5 season while the 1958 version was the No. 1 team in the nation. LSU ended its regular

**TRYING TO** solve the hunting and fishing problems of the Ohio Division of Wildlife is not an easy life despite what some hunters and fishermen think.

If "backfires" and frustrations were not accepted as challenges, the technicians would lead an easier life taking any old clock-punching job available to them the necessities of life for their wife and children and forget about opportunity and security.

Actually, these ambitious young men might not meet the desires of the hunters and fishermen who have nothing more to worry about than more fish and more game.

They are self-reliant, ambitious and using all the technical training that our best colleges and universities have to offer to find a cure for our wildlife ills.

**COOPERATION** is needed. I would like to ask one question: Did you mail in your deer hunting permit card if you bagged a deer or not?

This is very important. I have no way knowing how many deer were actually taken during the deer season. If I don't know, then how will the Wildlife Division in Columbus ever know without your cooperation?

It may be you like the technician now employed in your immediate county. But if you get rid of him and another technician begins working, he still has to go through the trial-and-error process before he gets his "feet on the ground."

## Louisville Whips Leetonia Quintet By 72-57 Count

LEETONIA — Invading Louisville pinned the third defeat of the season on Leetonia High School's Bears Tuesday night with a fourth quarter spurge, 72-57.

Coach Len Barcha's Leetonia five trailed by only three points heading into the fourth period, but Louisville uncorked 21 points while the Bears were netting only nine.

Leetonia is now 2-3 for the season. Chuck Lipplatt dropped in 16 points to pace Leetonia's well-balanced attack. Daryl Wartluft was high for the game with 26 points for Louisville.

Louisville also won the reserve game, 54-31, over the Leetonia reserves.

**LOUISVILLE—72**  
Linder 1-6-8; Pugh 0-4-4; Buckler 5-0-10; Daryl Wartluft 9-8-26; Dale Wartluft 4-1-9; Chatlain 4-1-9; Kerstetter 3-0-6. Totals 26-20-72.

**LEETONIA—57**  
Radier 4-2-10; Holloway 4-3-11; Leftler 3-3-11; Lipplatt 7-2-16; Tilly 3-2-8; Scullion 0-1-5-7. Totals 21-15-57.

## Donna Atwood, Skating Star, Obtains Divorce

SANTA MONICA, Calif. (AP) — Ice skating star Donna Atwood has a divorce decree, \$2,000-a-month alimony, \$375 monthly support for her three children, and title to the \$300,000 family home.

Paying for all this is John H. Harris, 59, her husband for eight years. The 34-year-old Miss Atwood obtained the divorce Tuesday after telling the court he was rude to her friends and had a bad temper. He did not contest her suit.

## Ohio Cage Champs Risk 33-Game Streak Friday

By HAL PARIS

COLUMBUS, Ohio. (AP)—Powerful Cleveland East Tech, riding a 33-game winning streak, clashes with unbeaten Cleveland Cathedral Latin Friday in one of Ohio's most attractive high school basketball games of the season.

Coach John Broski's Scarabs, the 1958 class AA champs, have polished off seven straight opponents this year with comparative ease.

Only Salem came close to being a spoiler, leading East Tech for three periods before the Scarabs rallied in the final quarter to win, 68-59.

Broski has four starters back from last year's squad which nipped Columbus North for the title. They are 6-6 Ken Glenn; Ed Ferguson, 6-8; 6-3 Lamoyne Porter and 6-2 Jim Stone, an All-Ohio guard.

Broski has been using three boys to replace Gerald Warfield, who graduated. He rotates 6-8 Gene Lane, 6-0 Hank Sellers and 5-9 Sam Franklin, the latter pair when he needs outside shooting.

Two tall youths have paced Cathedral Latin to seven straight wins. They are 6-7 Al Payne, aver-

aging nearly 20 points a game, and 6-6 Dave Prevosnick. Latin will have the home floor advantage Friday but will have to improve its outside shooting to upset East Tech.

From here and there: Wellsville's Dan Baldwin, a 6-2 forward, is breezing along at a 25.1 per game clip with 151 points in six contests. A fine jump shot, he's hit 31 twice this year.

One of the most promising sophomores in a long spell at East Liverpool is Ken Cunningham, a 5-10 forward. Cunningham scored 34 against Mansfield, a new record for an East Liverpool player in the school's Memorial Auditorium.

Elyria, with seven lettermen back from last year's team, has chalked up 10 straight wins without a setback and looks like one of the North's better quintets. Bill Mrukowski, a 6-3 All-Ohio griddy, has paced the Pioneers' attack.

Alliance is building for the future. The Aviators have 10 sophs on the squad 6 feet tall and over. Some of the top performers in the northeastern part of the state include 6-7 Ronald Sabo of Youngstown Chaney, Poland's Tony Archibald and Massillon's Paul Greber.

Massillon won six in a row before dropping a 54-53 squeaker to Canton McKinley on Floyd McIlwain's basket in the final two seconds. Canton has looked good, losing only to Farrell, Pa.

Scouts from as far away as Georgia have been talking to Denny Pawlecki, one of Central Catholic's top players, who has been scoring 22 a game.

Medium sized Emil Hartman is Ohio Deaf's big gun. He's tallied 292 of the Franklin County school's 410 points in seven games. Columbus Rosary and Bexley are Franklin County's only unbeaten quintets.

Frank Christie, Marietta's 6-2 junior ace, fired home 46 points in the season opener against Parkersburg, W. Va. Catholic to set an all-time school mark.

Springfield Public, although beaten four times, has whipped two previously unbeaten teams. The Wildcats snapped winning skeins for Tecumseh and Lima.

Proud Middletown, minus the fabulous Jerry Lucas, already has been victimized by Columbus East and Dayton Roosevelt. The Middies lost only once in the last three years, running up a 76 - game streak in the process.

## Undefeated Kentucky Upset By Vandy, 75-66

By DON WEISS

Associated Press Sports Writer  
The load's considerably lighter today for Adolph Rupp, the Kentucky basketball baron who once said "a winning streak gets kinda heavy to carry around."

Vanderbilt's Commodores eased the burden Tuesday night, shattering top-ranked Kentucky's 16-game string of victories with a 75-66 decision that must rank as the top upset of the college basketball season thus far.

Only 5-5 before the game with the team judged the nation's best, the Commodores reeled off a 21-4 spurt midway in the first half and stayed comfortably ahead throughout.

Jim Henry's 29 points and 32 fouls called on Kentucky were the big factors in the Wildcats' first loss since another Southeastern Conference team, Auburn, sandbagged Rupp & Co. by a single point, 64-63 last Feb. 24.

Kentucky reeled off five straight victories to close out last season as NCAA champions and had tacked on 11 in a row this season. North Carolina State, No. 2 in the weekly Associated Press Poll and the only other rated team in action last night, had a scare but survived — overcoming pesky Virginia 73-68 in an Atlantic Coast Conference match. Virginia, which upset West Virginia last month for one of its two victories in 11 starts, led the powerful Wolfpack 52-51 with nine minutes left, but State pulled it out behind the clutch shooting of Lou Pucillo and Bob McGillivray.

Scattered conference play and a handful of neighborhood matches rounded out the Tuesday program. Rice's Gary Griffin whipped in five points in the last 12 seconds to break a tie and upset Texas A&M 70-75, throwing the Southwestern Conference race into a tizzy.

Bobby Jones' 38 points led Southern Methodist over Texas 83-55 and Texas Tech rallied to edge Baylor 68-65 in other SWC games.

Dartmouth, with George Ramming netting 20 points, opened its Ivy League campaign with a 52-51 squeaker, over Yale.

In the Southern Conference, Virginia Tech rode a 34-point performance by sophomore Bob Ayersman to an 86-81 decision over George Washington, and Richmond topped The Citadel 69-62.

Connecticut, triggered by Jack Rose's 20 points, won its seventh straight for a 10-1 record, 73-58 over Yankee Conference foe Maine.

## Bobby Boyd 7-5 Choice Tonight Over Holly Mims

CHICAGO (AP) — Bobby Boyd, trying to regain the form that made him the No. 1 middleweight contender in 1956, is a 7-5 choice tonight against veteran Holly Mims.

The 10-rounder in Chicago Stadium will be televised and scored under the five-point must system. Boyd, a lanky 25-year-old Chicagoan who licked the top of the middleweight crop then skidded out of the rankings, counter-punched his way to victory over the crafty Mims in Chicago Stadium in 1956. Mims, 30, battled him to a draw in Miami Beach a year ago.

The Washington, D.C., battler went on in 1958 to score a surprising upset of highly-rated Spider Webb, lick Sammy Walker and stop Johnny Cunningham. He now is ranked No. 7 by the National Boxing Assn. and No. 4 by Ring Magazine.

The odds favoring Boyd are based on his renewed desire, an ingredient that evidently had been lacking at times in his unpredictable ring ventures. Boyd's defensive lapses have cost him six defeats by knockouts. But he has nailed 23 opponents in winning 51 bouts. He has dropped six decisions and fought to three draws.

## Carbon Monoxide Fatal To Columbus Officer

COLUMBUS, Ohio (AP)—Columbus Police Sgt. Clyde H. Beck, 49, was found dead in his apartment Tuesday, a victim of carbon monoxide poisoning.

His sister-in-law, Mrs. Anna Gilliam, about 43, also was found in the apartment, unconscious. She was hospitalized and reported in serious condition. Police said two clogged flues on space heaters had backed up the monoxide fumes into the home.

## Man Stabbed To Death By Common Law Wife

CINCINNATI (AP) — Moses D. Bates, 28, was stabbed fatally Tuesday night by his common law wife, Janie Mae Carter, 25, Police Lt. Malvon Hoffman reported. The stabbing followed an argument in which the woman claimed she was beaten by Bates, the officer was told.

Miss Carter was not charged immediately.

### Akron Man Sought On Bad Check Charge

FORT LAUDERDALE, Fla. (AP)—Jonathan J. Graham Jr. of Akron, Ohio, spotted by Fort Lauderdale police on a television news broadcast showing rioting in Havana, is wanted here on bad check charges.

Deputy Sheriff Bud Mell said a hold order on Graham has been sent to Akron police. Graham reportedly has returned to Akron after a business trip to Havana for a chemical wholesale firm in Hollywood, Fla., near here.

### Olmedo Advances To Semi-Finals Of Tennis Event

PERTH, Australia (AP) — Alex Olmedo, who won back the Davis Cup for the United States last week, swept into the semifinals of the Western Australian Tennis Championships today. He defeated Rod Laver, the top-seeded Australian, 6-2, 6-3, 4-6, 3-6, 6-3.

His victory gave the American Davis Cup team three players in the semis. Earlier Barry MacKay of Dayton, Ohio, and Earl Buchholz of St. Louis had reached the round of four.

MacKay crushed Ulf Schmidt of Sweden 6-2, 6-4, 6-2 and Buchholz whipped Spain's Luis Arilla 7-5, 6-4, 4-7, 7-5.

Olmedo, a Peruvian from Southern California, had to stage a great finish to beat Laver. Apparently weary and suffering from emotional strain, he relaxed after winning the first two sets easily.

Come To Metz Fur Co.

118 W. 5th St. for the bargains of your life. Storewide clearance on coats, suits, furs, childrens coats, dresses, in fact everything must clear before inventory, it will pay you to spend your money now.—Adv.

Kiwanians To See Film

A color sound film on the training of a pharmacist will be screened at a meeting of the Kiwanis Club Thursday noon at the Travelers Hotel. Paul Bloor is program chairman.

Chamber Board To Meet

A reorganization meeting will be held by the Midland Chamber of Commerce Board of Directors Thursday at 1 p. m. at the Esquire Bar.

Births Reported

Mr. and Mrs. John Nuzzo, 5-D Midland Heights, a son, Jan. 6, at Rochester General Hospital. Mr. and Mrs. Arlen Flowers, 243 W. 7th St., a daughter, Jan. 6, at City Hospital. Mr. and Mrs. James Bowers of Rogers R. D. 1, a daughter, Jan. 6, at City Hospital. Mr. and Mrs. Richard Salsbery, 449 Main St., Wellsville, a son, Jan. 7, at City Hospital. Mr. and Mrs. Robert Smith, 740 Virginia Ave., Midland, a daughter, Jan. 7, at City Hospital. Mr. and Mrs. James Morrison, 1174 Erie St., a daughter, Jan. 7, at City Hospital.

With The Patients

Discharged Tuesday at Rochester General Hospital were Miss Ethel Pettit and Mrs. Antonetta Vassallo, both of Midland, and Richard Pence of Shippingport.

Victor Lee Hofmann, 13, son of Mr. and Mrs. James Hofmann of McQueen's Run Rd., Wellsville, is a patient at Osteopathic Hospital.

Workers Deserve Credit For Award, Vote Board Says

Commenting today on the award presented the County Election Board Monday night at Columbus for fast, accurate reporting of returns, Frank R. O'Hanlon, clerk, declared that it reflects credit on the office staff, precinct workers and others who help operate the election machinery twice a year. "The board considers the award a tribute to the efficient office staff, the 906 precinct workers and other men and women in the field," O'Hanlon said. "They share with the Board of Elections any credit which comes to us by reason of this award."

In praising the office staff, he singled out the two regular workers, Mrs. Hillis Conner and Miss Rebecca Resnick.

The plaque given the board by Secretary of State Ted W. Brown as the best in its bracket from the standpoint of fast and accurate reporting is on display in the W. 6th St. office. A gold-colored metal plate mounted on a shield-shaped wooden back, it carries the wording: "Award by Secretary of State Ted W. Brown to Columbus County Board of Elections, 1958."

6 Tennesse Men Killed In Car-Truck Collision

KENTON, Ohio (AP)—Six Tennessee men were killed early today when their automobile collided headon with a gasoline tanker truck on U.S. 68, about two miles north of here.

The Highway Patrol and funeral homes where the bodies were taken said the victims had been identified tentatively as residents of Cleveland, Tenn., and vicinity.

The tentative identifications were listed as: Floyd Clark, 22; Herbert Goings, 41; Richard Kelly, 28; Horace Boyd, 24; Robert D. Lee, 31, and John B. Gibson, 32.

The Highway Patrol identified the driver of the tanker as Albert Fohl, 24, of Tiffin, Ohio. He was taken to San Antonio Hospital here and admitted for treatment of lacerations on the hands, knees and face.

Saline Township Gives Pay Hike To Road Crew

HAMMONDSVILLE — A 10-cent hourly pay raise was granted road employees when the Saline Township Board of Trustees met Tuesday afternoon in the Township House to reorganize for 1959.

Trustees hiked the wages of the road supervisor from \$1.50 to \$1.60, while laborers will now receive \$1.25 an hour. Walter Cope was returned as temporary road supervisor and Tom Blackburn as an "extra man" for road equipment. Frank Scarabino was elected president to succeed Wesley Glenn. Glenn was elected vice president. The next meeting will be Feb. 1. Mrs. Beulah Billie, clerk, said.

Cambridge High School Closed Due To Fire

CAMBRIDGE, Ohio (AP)—Cambridge Public High School will be closed until further notice because of a fire which destroyed its adjoining gymnasium and caused damage estimated at more than \$250,000. The school building itself was damaged by water and smoke in Tuesday's blaze. Hundreds of school children fled their classes when fire broke out in the gym's music room. About half of the 700 students were at lunch. Cause of the blaze is undetermined.

The USS Independence, most powerful vessel ever built for the U.S. Navy, will be commissioned Jan. 10.

3 Posts Given To Sen. Blake

Rep. Wetzel Named For 2 Committees

State Sen. Arthur Blake of Martins Ferry has been named chairman of one committee and vice chairman of two others in the 103rd General Assembly at Columbus, and State Rep. Clarence (Dutch) Wetzel of Lisbon is due for appointment on two House committees.

Sen. Blake, Democrat who won re-election to his sixth term in November, has been named chairman of the agriculture and conservation committee, and vice chairman of the highway control committee. He will also serve on the finance committee.

Rep. Wetzel, Republican starting his fifth term, is slated for appointment to the commerce and transportation committee and the general section of the finance committee of the house, according to House Speaker James A. Lantz. Lantz said Tuesday night at Columbus the appointments will be made after adoption of permanent house rules for the legislature, which convened Monday.

Hancock Unit Picks Woman For Delegate

Mrs. Anthony F. Laneve was appointed representative to a state association education and research committee when the North Hancock County Council for Retarded Children met Tuesday night in the Newell American Legion home. Eleven attended.

In a report on progress of securing a classroom for retarded children in the county, Mrs. Laneve said the council will contact the County Board of Education for advice for the site.

The council had been promised a classroom in January in the Newell Jefferson School addition, which will not be completed until early March, it was learned. Council will ask the board for permission to send students to a classroom in the Presbyterian Church of Chester.

In other business conducted by Anthony F. Laneve, president, Mrs. Thelma Merriman and Mrs. Ann Smusz were appointed in charge of sending letters of thanks to organizations and individuals who donated to a recent fund campaign which netted \$383.74.

Prayer was offered by Mrs. Twyla Finley, chaplain. New members attending were Mrs. Dorothy Smith of the Chester American Legion Post 121 auxiliary, and Mrs. James Mason and daughter, Kay, of New Cumberland.

The next meeting is Feb. 3 at the Chester Legion home.

Order Prevails After Riots Kill 35 Africans

BRUSSELS (AP) — Order has been restored in most of Leopoldville after riots that killed at least 35 Africans and severely injured 100 more, reports from the capital of the Belgian Congo said today.

Police and troops remained on the alert with the African section of the city cordoned off. Clashes between Africans and police began Sunday after an African political meeting at which future independence of the Congo was discussed.

Globe Brick Acquires Property Near Plant

Globe Brick Co. has acquired a half-acre tract near the Newell plant for \$28,000, according to a land transfer recording at the Courthouse in New Cumberland. The property was purchased from Mrs. F. G. Porter, who plans to move to California in June, a plant spokesman said.

How Can I ? ? ?

By ANNE ASHLEY

Q. How can I clean a clogged percolator?

A. When the holes of a percolator are clogged, place coarse salt in it, then hold it under the hot water faucet and let the water wash the coffee deposit and salt away.

Q. How can I remove an indelible ink stain from linen?

A. Soak the article in salt water. Then wash it, in water to which a little ammonia has been added.

Q. How can I make cretonnes retain their original stiffness after washing?

A. Rinse them in water in which rice has been boiled, and they will keep their stiffness.

Ousted Clerk Rehired

LISBON — Mrs. Esther Detemple, former clerk for the county commissioners, has been employed by County Auditor Irvin J. Vorndran and is working in the tax map office. Daniel Butch of Leetonia replaced Mrs. Detemple in the commissioners' office Monday when a Democratic majority took over.

Strawberry Angel Food Cake Is Quick, Tasty

With all the flurry and bustle that accompanies preparations for the coming holidays, homemakers are always searching for a dessert that can be prepared quickly, yet retain a maximum of eye and taste appeal. Such a dessert is the new strawberry angel food cake,

which can be whipped together easily from a mix. When cool, the cake is frosted with Almond Butter Cream Frosting and decorated with toasted almond and chopped candied fruit.

**Almond Butter Cream Frosting**  
Sift 1 pound confectioners' sugar (about 4 cups.) Cream 1/2 cup butter until soft. Add 1/4 teaspoon

salt, and part of sugar, blending well after each addition.

Add two egg yolks and 1/4 teaspoon almond extract; blend well.

Add remaining sugar alternately with two tablespoons milk, beating well after each addition, until smooth and of spreading consistency.

Deputies Continue Quest In 'Rustling' Of Prize Heifers

LISBON — Sheriff's deputies continued today an investigation of the theft and butchering of two prize Guernsey heifers from a Salsbury area farm Dec. 28 after a lead on the rustlers failed Tuesday.

The heifers, weighing between 300 and 400 pounds each, were taken from the pasture of Robert Beverly of Washington Township, and butchered in an abandoned barn on the old McNeal farm along the Highlandtown-Salsbury Rd.

Deputies located a youth yesterday who had seen three cars parking near the barn during the butchering, and he gave a description of the autos but could not provide the license numbers.

Sheriff Russell VanFossan urged anyone who can provide information on the butchering of cars involved to contact his office.

Proved Ability

HULL, England (AP) — Chris Whitfield, 13, who failed a swimmer's life - saving examination, dived into 30-foot-deep water off a dock in this Yorkshire city and saved a boy from drowning.

U.S. Has Big Satellite Set

For Launching

LOS ANGELES (AP) — A 1,500-pound satellite — the first ever to be launched on the West Coast — is on its pad at Vandenberg Air Force Base.

Some time within the next few days, Project Discoverer will be under way, headed for a Pole-to-Pole orbit.

A dozen or more Discoverer satellites will be launched from the California coast this year, each of them carrying hundreds of pounds of instruments to tell man what he will face when he ventures into space. Some also will carry mice and, later, monkeys.

The Discoverer satellites will be pointed southward to orbit around the earth from Pole to Pole. The first few are expected to stay aloft for only a matter of hours before they plummet back to burn up in the earth's atmosphere.

Before they do, however, they will eject a capsule containing instruments — and any animal passengers — which can be recovered by Air Force and Navy search crews.

Vandenberg Air Force Base, 170 miles north of Los Angeles, fired a Thor as a training shot last Dec. 16 to test launching and tracking facilities.

Ex-Editor Claimed

LOUISVILLE, Ky. (AP)—Milton Bronner, 84, former European editor of Newspaper Enterprise Assn., died Tuesday. He started his newspaper career in Covington, Ky., and later went to New York and joined the old Scripps-McRea league of newspapers. He served as NEA European manager for more than 20 years before retiring in 1940. He was born in Louisville.

Big Lifeboats

LONDON — Twenty fibreglass lifeboats are being moulded for the 40,000-ton Oriana, new \$39,000,000 flagship of the Orient Line to be launched next year. Each lifeboat will carry 145 persons.

Needle Pattern

By LAURA WHEELER

Gay as Toyland! Tots will adore this parade of playful pals having fun so many ways.

More play than work to embroider these happy youngsters on linens, pillows, curtains, cloths, bibs. Pattern 518: transfer of 12 motifs about 5x6 inches.

Send 35 cents in coins for this pattern to the East Liverpool Review, 45 Needcraft Dept., P. O. Box 161, Old Chelsea Station, New York 11, N. Y. Print plainly your name, address and the pattern number.

Nixon Receiving 'Credit Or Blame' In Party Changes

WASHINGTON (AP) — Vice President Nixon is getting the credit or blame—whether he deserves either or not—for being the directing influence behind some changes in the Republican party.

Rep. Joseph Martin of Massachusetts, ousted Tuesday as House minority leader, pointed a finger in Nixon's direction in accounting for his defeat by Rep. Charles A. Halleck of Indiana.

Asked if the vice president had a hand in bringing about his overthrow, Martin replied, "All I know is that his people were against me—actively against me."

Martin went on to say that some White House aides had met a month ago with Halleck and implied they were against his reelection because "I was a little more independent than I should be—of them."

Halleck denied any White House intervention. There was no comment from Nixon.

Two Cities In Texas Swap Tart Telegrams

BEAUMONT, Tex. (AP) — Chambers of Commerce of two Texas cities exchanged tart telegrams this week.

Beaumont, in southeast Texas where it rarely gets very cold, and Amarillo, in the high Texas Panhandle, were the principals in the hot wire swap.

Said Beaumont to Amarillo when heating equipment failed in the Beaumont Chamber's office:

"We've had enough. Suggest put windbreaks on barbed wire fence." (The story in Texas is that only a barbed wire fence separates Amarillo from the North Pole.)

Amarillo wired back: "Suggest you set fans pointing this direction. We need the hot air."

# Bringing Up A Family

By GARRY C. MEYERS

## Common Sense Will Help Youngster Read

Some of you parents may have discovered that your child in school since September has not really begun to read or that he has made very little progress at reading. You don't need to be a college graduate in order to help him. You might do well even if you never went higher than the fourth or fifth grade. You don't need advanced learning in order to be calm and patient with a child and to use common sense in helping him.

all, call to his attention the names on a few food containers and a few signs on the street or in a store. On a big piece of cardboard, print neatly and plainly the names of things about the house — door, chair, table — one name to a card. Fasten each card on the object it names.

With a little practice, he will get used to recognizing a few words with familiar meanings. He might also like to see his first name printed in large letters and learn to print it himself. As he does print his name, say each letter aloud.

Don't dwell on whole words for many days before you practice learning the names of the letters with him — just two or three at a sitting.

Even if he can read a little, you

will want to make sure he identifies most of the letters no matter how he has been taught at school. If he has been taught wholly by the look - and - say (word) method, his knowing a few consonants such as l, b, g, s, f, will help him recognize words.

Don't bother him now with learning the alphabet in order. Purposefully present the letters out of order. The vowels (a, e, i, o, u) may be a bit harder for him to learn than most of the consonants are, and knowing these vowels may not be as useful to him at first as knowing the consonants.

IN ANY EVENT, don't hurry him in learning his ABC's. It is well not to have him see letters together which are easily confused in the early stages, like b and d.

Use any way that seems good to you for helping him learn his letters. Showing him g, for example, you might have him find this letter in several places on a page of a book you have been reading to him.

There are only 26 letters of the alphabet and he will need to use them constantly all his life. His knowing them soon will help him in reading and spelling.

When he can read a bit from his primer he may like to spell a word he doesn't know, for you to say for him while you are ironing, mending or cooking. Do try to read aloud to him every day.

My bulletins, "Helping Child At Home In Early Steps Of Reading" and "Why Read To Baby and Young Child?" may be had by sending a self-addressed, stamped envelope to me in care of this newspaper.

## Girl Wins Contest

EAST PALESTINE — Carolyn Dey, high school junior and daughter of Mr. and Mrs. R. H. Dey of Route 14, was named winner of a regional Prince of Peace declamation contest Sunday at Winterville. She will compete in state semi-finals at Columbus later this month. The finals will be held Jan. 23 at Columbus.

# Birth Of New College Football Loop Looms At NCAA Parley

CINCINNATI (AP)—The American Conference, a nationwide football league of colleges which now are regarded as independents, is likely to come a lot closer to realization at this week's meetings of the National Collegiate Athletic Assn. and allied bodies.

This conference, which has been under discussion for several years, would include about a dozen teams from the East and the Pacific Coast, with Notre Dame as the all-important middle college.

Discussions have ranged from hot to cold for some time, but the breakup of the Pacific Coast Conference has made the Big Four of California football and the University of Washington, closely allied with the Pacific group, available for other affiliations.

Potential members include Southern California, UCLA, Stan-

# Hancock Grand Jury To Convene Tuesday

The Hancock County Grand Jury will convene Tuesday for the January term of Circuit Court, the sheriff's office at New Cumberland said today.

Fourteen grand jurors will be chosen although the venire will

not be made known until Monday, deputies said. The panel will remain in session four days when pre-trial hearings and arraignment dates will be completed, then recess until February. Judge J. Harold Brennan will preside.
